

The Sophisticated Ladies and Gent (S&G)

S&G is a senior performing group founded by the world-renowned dancer, actor and choreographer [Roland Dupree](#). After a long and successful career in Hollywood Roland semi-retired to Albuquerque where he continued to teach dance. He formed S&G when he saw an opportunity for his senior students to give back to the community through dance performances.

Roland directed the group until his retirement in 2010 when he handed the reins over to the owner of Starlet Dance Studio, Wynette Smith. Under her direction S&G continues to perform in the "Roland tradition" at assisted living homes, private parties, theatre venues and conventions throughout the state of New Mexico.
