To my family with love

I found colorful kingdom
one day. This is what
happened next.

I saw a mermaid.

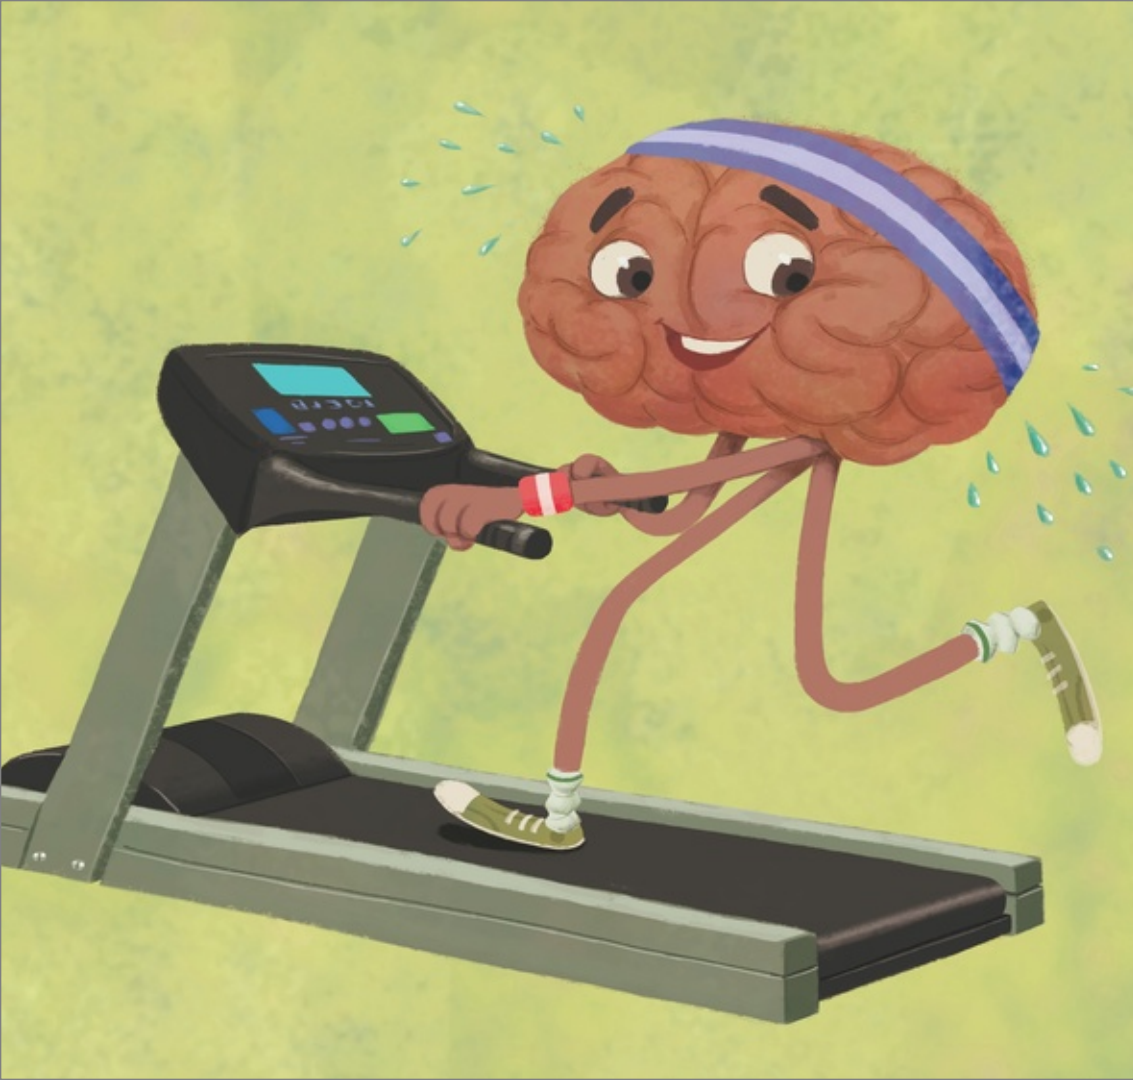

Then I found four peas one was sleeping and one looked mad.

Then I found superman
fighting a bad guy.

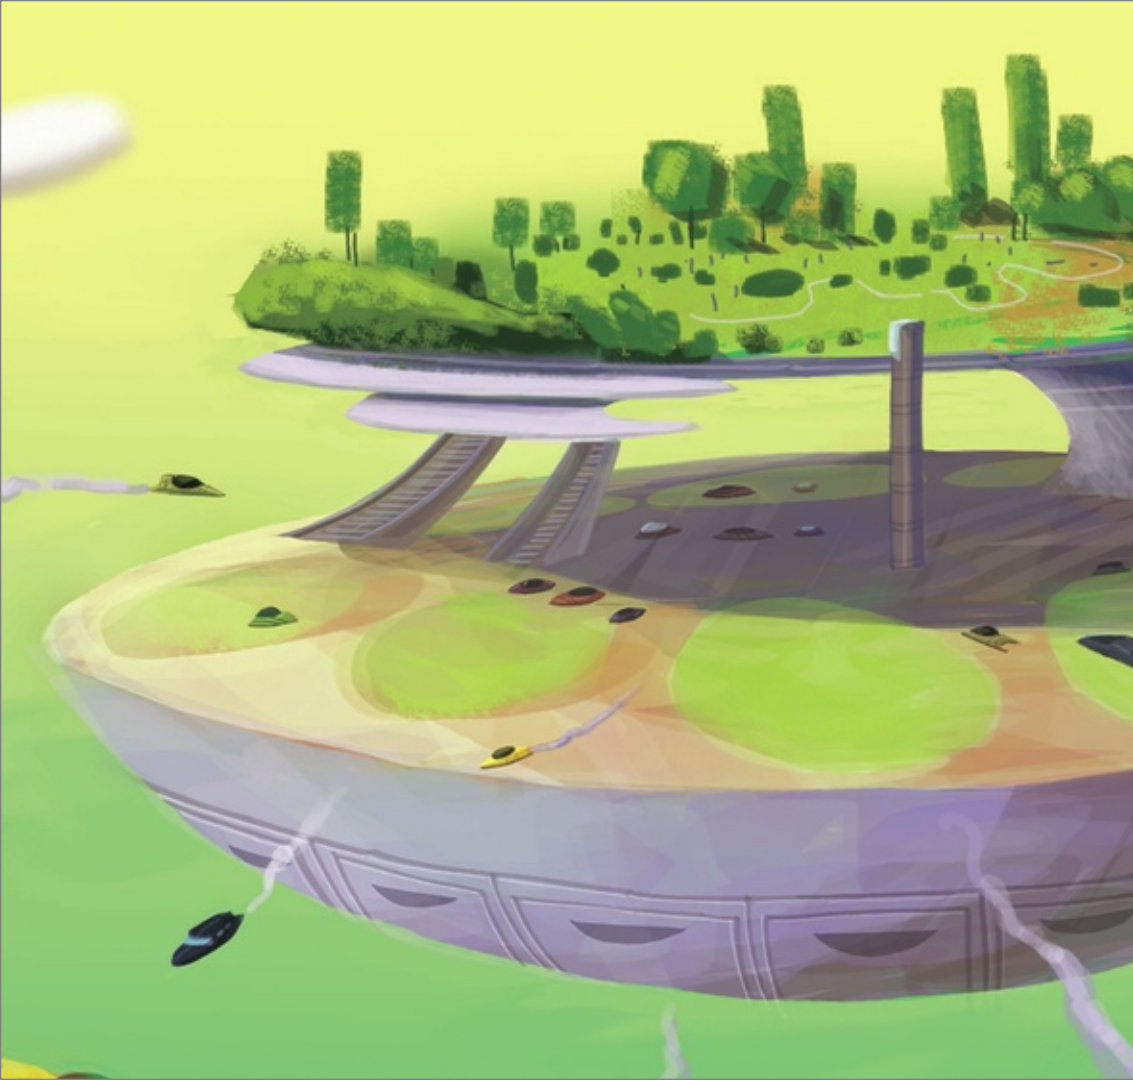

Then I found slaves.

Then I found a brain
working out.

Then I found a tall boy.

Then I heard “Nathan,
its time for school” and I
realized I was dreaming!

THE END.

The world needs your stories
