Dear Friend,

“I came here afraid, in physical and mental pain, not knowing how I would take care of myself, or my children. I learned I could trust the kindness and respect of my case manager and all of the Bridges’ staff. Through their counseling and support, I am strengthening life management and parenting skills and building a plan. I will be ready to start a new life and to help my children make new memories.” – Alana

Stories like Alana’s are the reason I proudly support Bridges Domestic Violence Center through the 9th Annual BRIDGES Golf Scramble. Bridges is Williamson County’s only domestic violence shelter and comprehensive program where abuse victims can turn in a crisis for help in starting a healthy new life for themselves, and for their children.

The Bridges Board, staff and volunteers invite you to join as a tournament sponsor for our golf event to be held **Tuesday, May 15, 2018 at Vanderbilt Legends Club**. The attached sheet **describes sponsor opportunities at various levels – with and without team participation**. Your support will **ensure that more Williamson County families receive vital shelter and services** on their path to a healthy new start, free of violence and abuse.

BRIDGES Golf Scramble promises **an extraordinary day of golf and fun** in the company of business and civic leaders who care about making life in Williamson County the best it can be. In addition to a great golf course, you’ll enjoy lunch and dinner, contests and prizes, lots of laughs and great connections! **As a sponsor, your business will gain exposure** to hundreds of Williamson County residents and businesses through tournament publicity. **Please review the attached Partnership form and choose the level that best represents your business**. Just like you “stretch” to be your best before teeing up, we hope you’ll “stretch” your gift to help Bridges do its best for Williamson County residents like Alana, facing the trauma of domestic violence.

THANK YOU for responding. The need is urgent; but because of you, Bridges will stand ready to guide healthy new starts. For questions about the tournament or services provided by Bridges, please contact Pam King, Development Director, at (615) 599-8064 or pamk@bridgesdvc.org.

Best Regards,
