Xulon Title Ensures Successful Parenting with Spiritual Insights Akinbo equips parents to break through various obstacles to raise godly children

MAITLAND, FL— Within his new book, *Parents! Loose Your Children From Bondage*, (\$10.99, paperback, 9781498425551; \$5.99, e-book, 9781498426299) Abolaji Muyiwa Akinbo addresses the touchy matter of successful parenting, specifically from a Christian perspective. The Bible calls believers to be champions and, as a result, to raise champions. The author points out that there are different classifications of children in the Bible, which makes it almost impossible to navigate through the different complexity of rearing a child successfully. The text will aid readers as they prepare themselves in every way to set a biblical foundation for their children, which will generate extraordinary adults.

“I hope that, through this book, readers will locate themselves and their children, and will be able to come to the understanding of the impact of their own foundation and the uniqueness of their children,” states the author. “This book is very practical and addresses many silent questions that parents ask about themselves and their children. It addresses many secret fears and frustrations that parents deal with as it relates to them and their children.”

Abolaji Muyiwa Akinbo is the founding pastor of God's Family Bible Church in Palm Coast, FL. The author is a prayer warrior, best selling author, teacher, and preacher of the Word, with a strong desire to help people achieve their dreams and fulfill their God-given potential. He is also a graduate of University of Lagos, Rhema Bible Training College, and Life Christian University of Tampa. The author is married with three children. His friends and congregation fondly call him “Pastor Bo.”
