(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, and in connection with exterior maintenance, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of

Section 5. Notice and Quorum for Any Action Authorized Under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (½) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

115-022186-17

BOOK 3814 PAGE 935

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots as provided in Section 6 above. The first annual assessment for each lot shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association setting forth whether the assessments on a specified Lot have been paid, which certification shall be binding on the Association.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

BOOK 3814 PAGE 956

Section 9. Subordination of the Lien to Mortgages and Ad Valorem Taxes. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage and ad valorem taxes. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage or tax foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. All properties dedicated to, and accepted by, a local public authority and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

occupants when the failure is due to inadequate design or construction, blocking of access routes, or any other factor within the control of the developer, the Association, or occupants.

ARTICLE V

PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the dwelling upon the Properties and placed on the dividing line between the Lots and all reconstruction or extensions of such walls shall constitute party walls, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls, lateral support in below-ground construction and of liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction By Fire Or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

115-022186-17

BOOK 3814 PAGE 938

Section 4. The owner of any Lot may construct, reconstruct, repair, or extend a party wall in any direction (subject to and within the limitations of architectural control and other limitations of these Covenants) with the right to go upon the adjoining Lot to the extent reasonably necessary to perform such construction. Such construction shall be done expeditiously. Upon completion of such construction, such owner shall restore the adjoining Lot to as near the same condition which prevailed on it before the commencement of such construction as is reasonably practicable.

Section 5. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 6. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 7. Certification by Adjoining Property Owner That No Contribution is Due. 115-022186-17

BOOK 3814 PAGE 359

exists, whereupon it shall be the duty of each adjoining property owner to make such certification immediately upon request without charge, which certification shall be binding on the owner giving same; provided, however, that where the adjoining property owner claims a right of contribution, the certification shall contain a recital of the amount claimed.

Section 8. Arbitration. In the event of any dispute arising concerning party wall, or under the provisions of this Article, such dispute shall be settled by arbitration as provided by the laws of North Carolina, relating to arbitration as then existing.

#### ARTICLE VI

##### ARCHITECTURAL CONTROL

No building, fence, signs, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association and the KF Homeowners Association II, Inc., or by their Architectural Committees. In the event said Boards, or their designated committees, fail to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to them, approval will not be

115-022186-17

BOOK 3814 PAGE 310

required and this Article will be deemed to have been fully complied with; provided, that the plans and specifications required to be submitted shall not be deemed to have been received if they contain erroneous data or fail to present accurate information upon which the Boards or their committees can arrive at a decision.

The said Boards or their committees shall have the right, at their election, to enter upon any lot during construction, erection, or installation of improvements or alterations to inspect the work being undertaken in order to determine that such work is being performed in conformity with the approved plans and specifications and in a good and workmanlike manner, utilizing approved methods and good quality materials.

The rights reserved to the Board of Directors and/or Architectural Committee of K.F. Homeowners Association, II, Inc. shall be applicable only from and after the effective date of the annexation of the Properties to the provisions of the Declaration recorded in Book 3445, Page 618, Wake County Registry.

#### ARTICLE VII

##### ANNEXATION OF ADDITIONAL PROPERTIES

Section 1. Annexation of additional property shall require the assent of two-thirds (2/3) of the Class A membership and two-thirds (2/3) of the Class B membership, if any, at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purpose of

115-022186-17

BROOK 3814 PAGE 311

the meeting. The presence of members or of proxies entitled to cast sixty percent (60%) of the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called subject to the notice requirement set forth above and the required quorum at such subsequent meeting shall be one-half of the required quorum of the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting. In the event that two-thirds (2/3) of the Class A membership or two-thirds (2/3) of the Class B membership are not present in person or by proxy, members not present may give their written assent to the action taken thereat.

Section 2. If within five years of the date of incorporation of this Association, the Declarant should develop additional land within the boundaries shown on the general plan of Match Point Village Townhomes heretofore submitted to the Federal Housing Administration, the Veteran Administration, and the Town of Cary, such land may be annexed by the Declarant without the consent of members provided that the FHA or VA, FNMA, and the Town of Cary determine that the annexation is in accord with the general plan heretofore approved by them.

Section 3. Upon the filing of this Declaration in the Registry of Wake county, North Carolina, the Property herein described, and any properties hereafter annexed in conformity with the provisions of this Declaration, shall be a part of the Kildaire Farms Subdivision, a planned unit development, as

115-022186-17

BOOK 3814 PAGE 912

described in the Declaration of Covenants, Conditions and restrictions for Kildaire Farms Subdivision, recorded in Book 3445, Page 618, Wake County Registry, as the same now is or hereafter amended, and as shown upon plans for Kildaire Farms Subdivision heretofore filed with the Town of Cary, North Carolina.

Every owner of a lot within the Property shall be a member of the KF Homeowners Association II, Inc. and shall be subject to the provisions of said Declaration for Kildaire Farms and to the bylaws, rules, and regulations of said Homeowners Association.

The provisions of this Article VII, Section 3 shall become applicable only from and after the date of approval by the Town of Cary for the annexation of the Properties as part of the Kildaire Farms P.U.D.

#### ARTICLE VIII

##### EXTERIOR MAINTENANCE

Section 1. In addition to maintenance of the Common Area, the Association shall provide exterior maintenance upon each lot which is subject to assessment hereunder, as follows: paint, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, mailboxes, fences installed by Declarant or the Association, exterior post lights (excluding electricity therefor), and other exterior improvements. Such exterior maintenance shall not include glass surfaces, screens, awnings, and if permitted, approved additions to dwellings made after completion of the

115-022186-17

BOOK 3814 PAGE 313

initial dwelling (unless maintaining of such addition is affirmatively assumed by the Association). Further, the owner of any lot may at his election plant trees, shrubs, flowers and grass in his rear yard and may also maintain portions or all of his rear yard provided that such maintenance by the owner does not hinder the Association in performing its maintenance of the exterior of the house and the remaining yard spaces. Any owner who fences in his rear yard shall be required to maintain such area. No such maintenance by a lot owner shall reduce the assessment payable by him to the Association. If, in the opinion of the association any such owner fails to maintain his rear yard in a neat and orderly manner, the Association may revoke the owner's maintenance rights for a period not to exceed one year. The Owner shall not plant any vegetation in the front yard except with the prior written approval of the Association. The Association hereby reserves an easement unto itself, its agents, and employees for access over the Common Area and lots for the purpose of performing the maintenance and repairs provided for in this Declaration.

(As a matter of information to future members of this Association, the developers wish to make it known that it is a part of the original plan of development to construct a variety of dwellings with a variety of exteriors for the good of the entire subdivision. Some dwellings may require far more maintenance than others because of the types of exterior exposures. Nevertheless, in order to avoid monotony and in order to achieve

115-022186-17

BOOK 3814 PAGE 314

a harmony of design and textures, all of those connected with the conception, design, construction and financing of this subdivision as originally planned, are in accord in their belief that all members of the Association will be benefited by the variety of exteriors and, therefore, the Association should provide exterior maintenance and make a uniform rate of charge without regard to the actual cost of maintenance of each dwelling.)

In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family, or guests, or invitees, or employees, or subcontractors, the cost of such assessment to which such lot is subject.

Section 2. Maintenance by Owner. In cases where maintenance or repair is required in this Declaration to be done or made by an Owner, and such maintenance or repair has not commenced within sixty (60) days, or if commenced, is not completed within a reasonable time thereafter, the Association may, upon thirty (30) days written notice to such owner, make or complete such maintenance or repairs, and the cost thereof shall be an additional assessment applicable only to such lot and Owner, and shall be payable as determined by the Board of Directors.

INSURANCE AND RECONSTRUCTION

Section 1. Insurance. The insurance which shall be carried upon the Townhomes shall be governed by the following provisions:

(i) All improvements comprising the Townhomes shall be insured by the Association in an amount equal to the full insurable replacement value thereof, exclusive of excavation and foundations. Such coverage shall afford protection against the following:

(a) loss or damage by fire and other hazards covered by standard extended coverage endorsement; and

(b) such other risks as from time to time customarily shall be covered with respect to buildings similar to the Buildings in construction, location and use, including, but not limited to, vandalism, malicious mischief, windstorm and water damage, subject to such deductible amounts not in excess of \$1,000.00 as the Board shall determine. The policy or policies provided such coverage (hereinafter called "Casualty Insurance") shall provide that the coverage thereof shall not be terminated for non-payment of premiums without at least ten (10) days' written notice to each Unit or Lot mortgagee. All Casualty Insurance policies shall be purchased by the Association for the benefit of the Grantor, the Association, the Unit or Lot Owners and their respective mortgagees, as their interests may appear,

115-022186-17

BOOK 3814 PAGE 916

and shall provide (a) for the issuance of certificates of insurance with mortgagee endorsements to the holders of mortgages on the Units or Lots, if any, and (b) that the insurer waives its rights of subrogation against Unit or Lot Owners, Occupants and the Association. All Casualty Insurance policies shall provide that all proceeds payable as a result of casualty losses shall be paid to the Association, as trustee.

(ii) The Association shall insure itself, the members of the Board, the Unit or Lot Owners and the Occupants against Liability for personal injury, disease, illness or death and for injury to or destruction of property occurring upon, in or about, or arising from or relating to the Common Areas including without limitation water damage, legal liability, hired automobile, non-owner automobile and off-premises employee coverage, such insurance to be in such amounts as is determined necessary and adequate from time to time by the Board. All liability insurance shall contain cross-liability endorsements to cover liabilities of the Unit or Lot Owners as a group or to a Unit or Lot Owner. In the event the insurance effected by the Association on behalf of the Unit or Lot Owners and Occupants against liability for personal injury or property damage arising from or relating to the Common Areas shall, for any reason, not fully cover any such liability, the amount of any deficit shall be assessed at a uniform rate against all Unit or Lot owners without requirement of an affirmative rate of the members.

115-022186-17

BOOK 3814 PAGE 317

(iii) Premiums upon insurance policies purchased by the Association shall be paid by the Association at least thirty (30) days prior to the expiration date of such policies and shall be a part of the Annual Assessment.

(iv) Each Unit or Lot Owner may, at his own expense, obtain public liability insurance for personal injuries or damage arising out of the use and occupancy of his Unit and Casualty Insurance affording coverage upon his Unit and property inasmuch as the same will not be insured by the Association, but such Casualty Insurance shall provide that it shall be without contribution as against the Casualty Insurance purchased by the Association or shall be written by the carrier of such Casualty Insurance and shall contain the same waiver of subrogation as that, referred to in subparagraph (i) above.

Section 2. Responsibility for Reconstruction or Repair. If any portion of the Common Areas or Units or Lots shall be damaged by perils covered by the Casualty Insurance, the Association shall cause such damaged portion to be promptly reconstructed or repaired to the extent of the funds made available to the Insurance Trustee, as hereinafter provided, and any such reconstruction or repair shall be substantially in accordance with the original plans of the Unit or Lot damaged or destroyed.

Section 3. Procedure for Reconstruction or Repair.

(i) Immediately after a casualty causing damage to any portion of the Common Areas or Units or Lots, the Association shall obtain reliable and detailed estimates of the cost to place the damaged property in condition as good as that before the casualty. Such costs may include professional fees and premiums for such bonds as the Board deems necessary.

(ii) If the proceeds of the Casualty Insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association (including the aforesaid fees and premiums, if any) one or more special assessments shall be made (without requirement of an affirmative vote of the Members) against all Unit or Lot Owners in sufficient amounts to provide funds for the payment of such costs, and the proceeds of such special assessments shall be deposited with the Insurance Trustee.

(iii) The proceeds of the Casualty Insurance referred to in Subsection (i), Section 1 of this Article IX and the sums deposited with the Insurance Trustee from collections of special assessments against Unit or Lot Owners as account of such casualty, shall constitute a construction fund which shall be disbursed to the Insurance Trustee and be applied by the Insurance Trustee to the payment of the cost of reconstruction and repair of the Common Areas, Units or Lots from time to time as the work progresses. It shall be presumed that the first monies disbursed in payment of such costs of reconstruction and repair shall be from insurance proceeds; and if there is a balance in

any construction fund after payment of all costs of the reconstruction and repair from which the fund is established, such balance shall be disbursed to the Association.

(iv) Each Unit or Lot Owner shall be deemed to have delegated to the Board his right to adjust with insurance companies all losses under the Casualty Insurance policies referred to in Subsection (i), Section 1 of this Article IX.

Section 4. Annual Review of Policies. All insurance policies shall be reviewed at least annually by the Board of Directors in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacement of the property which may have been damaged or destroyed; provided however, the Board of Directors shall have satisfied this provisions, and shall not be liable to the members for failure to maintain sufficient coverage, if the amount of coverage maintained equals or exceeds the cost of replacement of all improvements as reflected on an annual appraisal made by an M.A.I. appraiser or by the insurance carrier, as selected by the board.
