Lynn Dawson will be Secretary for this year.

A discussion on the pros and cons of having a 50/50 raffle at the February party and March party.

A motion was made by Chris Close to continue having a 50/50 raffle at the February and March parties. Jane Martin 2nd the motion. Motion passed. Chris Close will run the 50/50 raffle at the February Party. Rosalie will help Chris. Jane Martin will run the 50/50 raffle at the March Party. Sharon Mastic said that John would give information on how to conduct the raffle. Anyone that helps with the 50/50 raffle must be a member of the social committee.

Carol asked that confetti and sparkles not be used at parties because it is very difficult to clean up.

It was suggested that parties can start at 6 pm due to set up. The Fire Marshall states that it is the law that the hallway must have a clear passage. This doesn't apply to the March party because it is held on the deck of the garage.

2 6-packs of small cans of pop will be offered at the February and March parties. There has been waste when we have used the large bottles.
