

## Ponder This

10 things that do not impress God:

1. Your church attendance
2. The amount of money you give away
3. How much of the Bible you have to memory
4. How anointed you are (or think you are)
5. Your social media status
6. How big your ministry is
7. How much you pray
8. How many “friends” you have
9. Empty words and empty promises
10. How much you serve

Two things that impress God:

1. How well you love Him
2. How well you love others
