Our 2019-2020 Football Season is on its way!

This year we are excited to announce a new coaching staff led by George Hawthorne. Coach Hawthorne brings 25 years of service with MCSO, extensive football knowledge being in the NFL and 20+ years coaching experience, a contagious positive attitude, and strong desire to help cultivate our boys into outstanding men. Coach Hawthorne has hired a very dedicated coaching staff who are eager to help make this program greater than ever! The students at Skyline are excited for this new journey and have embraced his sayings, “you can’t get big being little” and “you can’t get strong being weak”. Now we are ready to share our excitement with the community!!

Each year at this time we gear up to raise money for our football program. Our goal is to involve the community to help make the best program we can be. Skyline Football needs this money to remain competitive. Skyline Football is **NOT** fully funded by MPS. We need fundraising to make up the shortfall. We utilize these funds for travel, busses, weight room equipment, practice equipment, uniforms, gear bags, helmet painting, etc. In addition to donations, we are going to be doing several fundraisers that we hope to involve the community with as well.

Since our organization relies on the generosity of individuals like you, we write to ask that you consider a donation to our program. There are several ways to contribute to our program including meal donations, supplies donations, monetary, etc. In exchange for your support, we will proudly advertise you on our website. We also have other marketing opportunities for different levels of sponsorship that could include a banner for your business on the football field, ad in our program, announce your business name and address at the football game, and list your business information and logo on the sponsor page of our website. We are a non-profit organization, so your contribution is fully tax deductible. Our federal tax ID number is 81-1659906. We hope that you will help support our efforts.

Please contact Marissa Bourdon at 918-500-6010 to discuss the details of providing support for our program.

We appreciate your consideration in this opportunity and hope you will support the Skyline football program this year as well as many more years to come.
