19th AMENDMENT PASSED!

August 26, 1920...Congress approves the 19th Amendment giving United States Women the right to vote in national and state elections. Thank you to Susan B. Anthony, and the other brave dedicated suffragettes who worked tirelessly on this for 55 years. Ladies, let us honor their accomplishment by voting in every election.

Message from our President...

I love our Red Cedar Community! I recently received a call from someone asking about available condos, saying she had been told that we are "Williamston's Hidden Jewel!" We are a small community and not perfect, but we have many kind and caring residents. For example, the volunteers that came out to work on our entrance planting area, helping to make our community beautiful. And those that are sending cards and helping those residents in poor health or recovering from illness. Also Becky, Bev, and Lorrie who weeded Dorow's flower beds while Kathy is recovering from brain surgery. As well as the garden elves that are maintaining Jo Burditt's flowers as Jo is now in Hospice Care. I am sure there are many other instances that I am not aware of. So thank you each and every one who is making Red Cedar a great community in which to live!

Meet Your Neighbor:

Polly Elder

464 Red Cedar Blvd.

Where were you born? I was born in Detroit (Ed. Note: year NOT disclosed) and grew up in the northwest part of the City.

Education background? I started kindergarten at Pasteur Grade School but, due to crowding during WWII, I was transferred to Hampton Elementary for third through eighth grades. I was a part of the second June graduating class from the "original" Mumford High School whose 70th class reunion is being held on 8/17/2024. I became an MSU Spartan for 3 years but never completed my degree.

How and when did you meet your spouse? I met my husband on the beach in Fort Lauderdale, FL early in 1959. We married later that year and moved to Knoxville, TN so he could attend graduate school at the University of Tennessee. He passed away in 1987.

How many children & grands do you have? Each of our 3 sons was born in Maryville, TN. They now live in Punta Gorda, FL, Chagrin Falls, OH. and Haslett, MI. At present I count 7 grandchildren and 9 great-grandchildren.

What kind of hobbies do you have? I loved playing the piano in my younger years, but the hands don't work as well as they used to. Same with the feet and dancing. I still like reading though, especially history.

When did you move to the RCC? I moved to RCC on Nov. 10, 2022. It's a lovely, friendly, well-run community and I feel very safe here. I particularly like that it's "my age group"!

(Ed. Note: Polly is one sharp cookie and a great resident. Really glad to have her here.)

Looking for a book to read?

Our Red Cedar Library Box at our village entrance has a nice variety of books to suit everyone's taste. Finished a good book? Put it in the Library Box for others to enjoy.

SAVE THE DATE!

Wed Sept 18th, Annual Co-op Meeting!

Want to be on the Co-op Board?

A nomination form will be going out to all our residents shortly. Just fill it out and return it. Voting will be at the Sept meeting.

Neighborhood Garden Walk

August is the month of beautiful gardens, and our little village is no exception. Our neighbors, in planting their front gardens, have put their own personal stamp on their unique little cottages. Some have an abundance of lush flowers, others have a clean simplistic look, while some have a combination of both. Early morning or dusk is the best time to enjoy these gardens. Try and match each owners personality to their garden. It may surprise you to see how much a design reflects the owner's view of life. Enjoy your walk!

Aunt Mae's Recipe Box

Ice Cream Drop Scones

Pint of your favorite Ice Cream, melted
2 cups flour
1 teaspoon salt
1 tablespoon baking powder

Mix melted ice cream with the other ingredients. Drop into muffin cups. Bake at 350 degrees until done. (about 15 minutes)

Don't overbake. Enjoy!
