How to Hold the Harmonica:

To start, hold your harmonica between your thumb and first two fingers on both hands. The side of the harmonica that has the numbers above the holes should be on top.

How to Play the Harmonica:

Unlike other wind instruments, you make sounds on the harmonica while breathing both in and out. DRAW means INHALE like you are drinking from a straw.

BLOW means BREATH out like you normally do (not a hard breath like blowing up a balloon!) (Think “ah” for draw and “hah” for blow.)

You should feel your stomach go in a bit on the blow and out a bit on the draw.

If you're feeling lightheaded, whisper "It doesn't take much air" into your harmonic gently. Try "drawing" as you say this phrase too!

Good tone test:

Hold the harmonica with just your mouth—between your teeth. This gets your jaw, lips and tongue out of the way. Listen to your sound as you draw and blow. This is the kind of tone you want to get when you are playing your harmonica the correct way.

Oh, my darling, oh, my darling

Oh, my darling, Clementine

(-4) 5 (-5) (-5) 5 (-4) 5 4

4 5 (-4) 3 (-3) (-4) 4

Dreadful sorry, Clementine.

Ten in the Bed

3 3 4 4 4 4

There were ten in the bed

3 3 4 4 4 4

And the lit-tle one said,

6 5 4 6 5 4

“Roll o-ver, roll o-ver.”

3 3 4 4 4 4 3 4 4 4

So they all rolled o-ver and one fell out. . .

Oh, My Darling, Clementine — Traditional

4 4 4 3 5 5 5 4

In a cavern, in a canyon

4 5 6 6 (-5) 5 (-4)

Excavating for a mine

(-4) 5 (-5) (-5) 5 (-4) 5 4

Dwelt a miner forty-niner

4 5 (-4) 3 (-3) (-4) 4

And his daughter, Clementine

Oh, my darling, oh, my darling

On Top of Spaghetti— *Traditional Parody*

4 4 5 6 7 (-6)

On top of spa-ghet-ti

(-6) (-5) 6 (-6) 6

All covered with cheese,

4 4 5 6 6 (-4)

I lost my poor meatball

5 (-5) 5 (-4) 4

When somebody sneezed.

It rolled off the table

And on to the floor

And then my poor meatball

It rolled out the door

It rolled in to the garden

And under a bush

And then my poor meatball

Was nothing but mush.

And early next summer

It grew in to a tree

All covered with meatballs

As big as could be.

So, if you like spaghetti

All covered with cheese

Hold on to your meatball

And don't ever sneeze!

Tips for taking care of your harmonica:

- ♫ Don't eat and play your harmonica.
- ♫ Don't drink anything but water before playing.
- ♫ Rinse your mouth out well, or brush your teeth if necessary, before playing.
- ♫ Keep your harmonica in its plastic case if you aren't playing it.
- ♫ Pay attention to where you put it down—it's small and can easily be misplaced.
- ♫ Tap your harmonica out gently after playing—holes down—to get out excess saliva.
- ♫ Don't let others play your harmonica!

How It Works:

The things that make the sound are thin strips of metal called REEDS. Your harmonica's reeds are only 3/8" to 5/8". Small things can get caught in the harmonica and make it sound bad or not sound at all so keep your harmonica CLEAN!

To hear how the reeds are working for you, blow into the lower part of the harmonica and then hold that part up to your ear quickly—you'll hear the reeds still vibrating.
