Jeremy Hughes

My name is **Jeremy Hughes**.

I love being out in the **community** and **helping** others. My Councilman in Louisville even **honored** me for my services to my fellow citizens. I am now lovingly referred to as, **“Mayor of Petersburg”** by my community.

I am an **employee** of Value Market in my community. I am successful today due to the great teachers I had in school and the services and supports I receive through the **Michelle P. Waiver**. I love being a part of **Special Olympics** where I participate in basketball, soccer, softball, bowling, and skiing.

My goal for the future is to live on my own. My supports from the **Michelle P. Waiver** is helping me to achieve this goal. I am very **thankful** for the Michelle P. Waiver!
