Our Showgirl

Georgie Constance

I was born and raised on the Monaro on our family farm in the Springfield area. I am the youngest of three with my two older brothers being Brad and Ryan. My brothers and I are the third generation of Constance's to live at "Rocklodge" with our Dad, Ashley being the owner. We run a predominantly Merino enterprise and a small herd of Hereford cattle. I attended Cooma Public School for my primary years before moving on to Monaro High. After 3 years at Monaro High, I knew that I wanted to be involved in the agricultural industry resulting in me begging Dad to send me to boarding school. I started at Yanco Agricultural High School in year 10 and never looked back. The experiences and opportunities I received at Yanco allowed me to be more involved in not only the practical but also theoretical side of farm life. In the year after completing my HSC I moved back home to the farm and obtained a rural traineeship with the local Monaro Farming Systems group. During the 12 months of the program I experienced training from industry professionals of which many were extremely motivated rural women who I aspire to be like. In 2018 I moved to Armidale to commence my tertiary studies at the University of New England studying a Bachelor of Agriculture, majoring in Livestock Production. In 2019 I moved back home to help out on the farm and continue to study my degree online through the Country Universities Centre in Cooma. My goal is to complete my degree and successfully obtain the knowledge and skills needed to one day take over the family farm. I hope that the showgirl experience will allow me to be more involved within the local community and to assist the Nimmitabel Show Society as well as providing me with an opportunity to represent our local area. I look forward to this experience and am extremely thankful for this opportunity.

Our Showgirl is proudly sponsored by Birdsnest, Akubra & Bare Beauty

Rural Achiever

Damien Roach

Damien Roach was born and bred on the Monaro with half of his family based at Numeralla and the other half at Nimmitabel.

Growing up out at Numeralla, Damien attended school in Cooma at St Pats until year ten and then went away to St Gregory's College, Sydney for boarding school. He spent his school holidays working on various properties in shearing sheds and fencing, as well as stock work. Damien's family also have a small farm on the outskirts of Numeralla which instigated his passion for rural life. After returning from school Damien worked as a civil & structural engineer trainee for 18 months before moving to Wagga Wagga to undertake a Bachelor of Agriculture at CSU. Whilst at Uni Damien started working for Landmark in the sale yards and upon completion of his degree decided to take up a full-time position as a Stock & Station Agent. Through his time in Wagga Damien enjoyed playing rugby for both WAC and the Wagga Waratahs. Damien stayed in Wagga for another two years before moving home with his wife Emma and working for Landmark in Cooma. They have been back nearly two years and have just had their first baby boy Archer.

Whilst having only limited show experience through cattle judging at the Dalgety show in 2018 and junior judging at the Nimmitabel show whilst at school, Damien understands the importance of local community shows and knows the massive benefits of keeping them going. He believes the networking between people and show societies is reason enough to see them continue and thrive.

Damien has a huge interest in the rural sector and has worked hard to better understand it and how it can be improved. By working closely with his clients, he aims to tackle issues surrounding farming life such as depression, drought and marketability of stock. Damien believes through making better connections and relationships within the Rural Achievers program he can quicken the pace of the much-needed solutions farmers and rural communities need to solve issue in and around the Agricultural sector.

Damien's grandmother, Sally Reed, has been a valued supporter of the Nimmitabel Show in her role as Secretary from 1978-1989. She is now a Patron of the Nimmitabel Show Society.

Our Rural Achiever is proudly sponsored by Akubra, Blundstone & Mainstreet Cooma.

Thank you!

We would like to sincerely thank and acknowledge the support of the following businesses, and people who have greatly contributed to our show. Without your generous support we would not be able to put on the best little country show in the region.

Ingredients:

160g butter
1 ½ cup sugar
375gm fresh or packaged ricotta cheese
3 large eggs
Grated zest of 1 orange
2 tablespoons orange juice
½ teaspoon almond essence
1 ½ cups plain gluten free flour
2 ½ level teaspoons gluten free baking powder

Method

Preheat oven to 160 degrees. Prepare a loaf tin (not a bar tin).

Sift together the dry ingredients, set aside.

Cream together butter, sugar, and ricotta cheese until light and creamy. Add eggs, one at a time.

Add orange zest, orange juice, and essences. Beat until combined.

Add dry ingredients a little at a time beating until just incorporated. Spoon mixture into prepared tin, smooth top.
