

Hello All! We are excited to share a new project that is beginning in the spring of 2024 at the Brownville Village Theatre. The history of BVT is a blend of so many dedicated people who have been a part of BVT's 56 past seasons in many different ways, each person being a vital part of this success.

We would like to open this event for each one to leave a permanent remembrance of their unique involvement in the magic of this little theatre.

We are offering the opportunity to purchase a memorial brick to be engraved of your choice to share in an enduring reminder to all who visit BVT. The cost of each brick which includes the \$35 engraving will be \$100 and will be placed along the new sidewalk which graces our front entrance. Each brick can have up to 3 lines, with each line to have 14 characters which includes a space between words. The ampersand (&) is the only available extra character.
