

28' Registration / Ticket / Vending Trailer

This 28' trailer is the perfect large event sales unit. There are three side windows each is 6' long which is wide enough for two people to work at during those "rush" times we all hope for. The doors fold up to make shades. Inside each there is a fold up desk-high shelf to work from and it comes with three office chairs. There is another desk high counter across the full width at the front. Along the entire back wall (behind the windows, running the length of the trailer) are built in steel shelves.

Three flag poles with flags & 110 volt ac light fit into the top to add presence to your venue. In addition to the man door on the side there are barn door rear doors as well. It has two axles and tows with a 2 5/16" ball.

Optional electric heaters, generators, propane heaters, fans or swamp coolers are available.
