Subject to Section 1 above, any Owner may delegate, in accordance with the Bylaws, his rights of enjoyment in and to the Common Areas, to the members of his family, his lawful tenants, or contract purchasers who reside on such Owner's Lot, and to his guests, invitees and licensees.

Section 3. General Easements and Associated Undertakings. All of the Property, including Lots and Common Areas, shall be subject to such easements for private roads or drives, public streets, water lines, sanitary sewers, storm drainage facilities, gas lines, cable communication transmission, telephone and electric power lines and other public utilities, whether above or below ground, as shall be established by the Declarant, by its predecessor in title prior to the subjecting of the Property to this Declaration, or as shown on any recorded subdivision map of any portion of the Property. Section 5. Entry Features. At all times during the term of this Declaration, the Association shall maintain and/or improve any Entry Features created within the Property in a manner at least comparable to the initial creation and construction thereof.

Section 6. Stormwater Drainage Systems and Retention Ponds (if needed). Unless otherwise agreed with the lot purchaser, Declarant shall complete construction on such phase or phases required by the lot purchaser upon 120 days written notice from the lot purchaser of intent to commence construction. For purposes of this paragraph only, lot purchaser shall include a party having a contract to purchase a lot, but notice of intent to commence construction may not be given to Declarant until all contingencies to purchase have either expired or have been waived. Section 1. Every Owner of a Lot which is subject to assessment shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of a Lot which is subject to assessment.

Section 2. The Association shall have the following two classes of voting membership:

Class A. Class A Members shall be all Owners, with the exception of the Declarant, and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any such Lot, all such persons shall be Members. The vote for

such Lot shall be exercised as they determine, but in no event shall more than one vote or a fractional vote be cast with respect to any Lot.

Class B. The Class B Member shall be the Declarant and shall be entitled to two (2) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (a) seventy-five percent (75%) of the Lots have been sold by Declarant; or
- (b) on January 1, 2020.

ARTICLE VI COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, late charges, costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, late charges, costs and reasonable attorneys' fees, shall also be the personal obligation of the person(s) who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the welfare of the residents in the Property for the improvement and maintenance of the Common Areas, including Entry Features, for the establishment of adequate reserves for the replacement of capital improvements, if any, located within the Common Areas, payment of insurance premiums for contracts of hazard and liability insurance on the Common Areas, and payment of local ad valorem taxes or governmental charges, if any, on the Common Areas.

Section 3. Assessment Amount and Due Date. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the annual assessment shall be Two Hundred Forty and No/100 Dollars (\$200.00) per Lot.

- (a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased by the Association each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote by the Members.
- (b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above ten percent (10%) by a vote of two-thirds (2/3) of the appropriate and affected class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.
- (c) The Board of Directors of the Association may fix the annual assessment at an amount not in excess of the maximum.
- (d) Owners who purchase Lots for the purpose of constructing dwellings shall be assessed twenty five percent (25%) of the annual assessment unless and until the dwellings are occupied by residents.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas, provided, however, any such assessment shall have the assent of two-thirds (2/3) of the votes of each appropriate and affected class of Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 or this Article shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of each appropriate and affected class of membership shall constitute a quorum.

If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots owned by each class of Member and annual assessments may be collected on an annual, monthly or quarterly basis; provided, however, annual and special assessments for all Lots owned by Declarant and not occupied as a residence shall be twenty-five percent (25%) of such assessments for other similarly located Lots. Special assessments may be to the contrary, the Association shall have the power, right and authority to issue a special assessment against any Lot and its Owner if such Owner shall fail to reimburse the Association or the Declarant, as the case may be.

Section 7. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten percent (10.0%) per annum and shall be subject to a late charge of Twenty Five and No/100 Dollars (\$25.00). The Association may bring an action at law against the Owner personally obligated to pay the same for such delinquent assessment, interest, late charges, costs and reasonable attorneys' fees of any such action, or foreclose the lien against the Lot. For purposes of this Section 7, the amount of delinquent assessment, plus accrued interest and late charges shall be considered evidenced by this Section 7 and, therefore, evidence of indebtedness shall exist hereby. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Areas or abandonment of his Lot.

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE VII
INSURANCE

Section 1. Ownership of Policies. Contracts of insurance upon the Common Areas shall be purchased by the Association for the benefit of the Association. The Association may reevaluate its coverage from time to time and may provide, subject to Section 2 of this Article, for such insurance coverage as it deems appropriate.

Section 2. Coverage. All improvements and personal property included in the Common Areas shall be insured in an amount equal to at least one hundred percent (100%) of their insurable replacement value as determined annually by the Association with the assistance of the insurance company underwriting the coverage. Such coverage shall provide protection against loss or damage by fire and other hazards covered by a standard extended coverage endorsement and such other risks as from time to time shall be customarily covered with respect thereto.

Section 3. Fidelity Insurance or Bond. All persons responsible for or authorized to expend funds or otherwise deal in the assets of the Association shall first be bonded by a fidelity insurer to indemnify the Association for any loss or default in the performance of their duties in an amount equal to at least one-half (1/2) the annual assessment plus reserves accumulated.

Section 4. Premiums. Premiums for contracts of insurance purchased by the Association shall be paid by the Association and charged ratably to the Owners as an assessment according to the provisions of Article VI above.

Section 5. Proceeds. All contracts of insurance purchased by the Association shall be for the benefit of the Association and its mortgagees, if any, as their interests may appear, and the Owners, and shall provide that all proceeds thereof shall be payable to the Association as insurance trustee under this Declaration. The sole duty of the Association as insurance trustee shall be to receive such proceeds as are paid and to hold the same in trust for the purposes stated herein.

Section 6. Distribution of Insurance Proceeds. Proceeds of contracts of insurance received by the Association as insurance trustee shall be distributed to or for the benefit of the beneficiary or beneficiaries thereof in the following manner:

- (a) The proceeds shall be paid first to defray the cost of reconstruction and repair of casualty or liability so covered.
- (b) Any expense of the insurance trustee may be paid from proceeds after payment of reconstruction or repair expenses or liability. Any proceeds remaining thereafter shall be distributed to the beneficiary or beneficiaries of the trust.

ARCHITECTURAL AND APPEARANCE CONTROL

Section 1. General. Anything contained in this Declaration which may be construed to the contrary notwithstanding, no tree removal, site preparation on any Lot or change in grade or slope of any Lot or erection of buildings or exterior additions or alterations to any building situated upon the Property or erection of or changes or additions in fences, hedges, walls and other structures, or construction of any swimming pools or other Improvements, shall be commenced, erected or maintained on any Lot until the architectural control committee appointed as hereinafter provided (the "Architectural Control Committee"), has approved the plans and specifications therefor and the location of such Improvements.

Section 2. Composition. For so long as Declarant owns one or more Lots, Declarant, or its appointees, shall act as the Architectural Control Committee. Upon final termination of Declarant's membership in the Association, the Board of Directors of the Association shall appoint three (3) individuals as members of the Architectural Control Committee on an annual basis. In the event of the death or resignation of any member of the Architectural Control Committee, the remaining members of the Architectural Control Committee shall have full authority to designate and appoint a successor. No member of the Architectural Control Committee shall be liable for claims, causes of action or damages (except where occasioned by gross negligence or willful misconduct of such member) arising out of services performed pursuant to this Declaration.

Section 3. Procedure. No Improvement of any kind or nature shall be erected, remodeled or placed on any Lot until all plans and specifications therefor and a site plan

therefor have been submitted to and approved in writing by the Architectural Control Committee, as to:

- (i) quality of workmanship and materials, adequacy of site dimensions, adequacy of structural design, and facing of main elevation with respect to nearby streets.
- (ii) conformity and harmony of the external design, color, type and appearance of exterior surfaces;
- (iii) location with respect to topography and finished grade elevation and effect of location and use on neighboring Lots and improvements situated thereon and drainage arrangement; and
- (iv) the other standards set forth within this Declaration (and any amendments hereto) or as may be set forth within bulletins promulgated by the Architectural Control Committee, or matters in which the Architectural Control Committee has been vested with the authority to render a final interpretation and decision.

Any modification or change to the Architectural Control Committee approved set of plans and specifications must again be submitted to the Architectural Control Committee for its inspection and approval. The Architectural Control Committee's approval or disapproval, as required herein, shall be in writing.

The Architectural Control Committee may, but shall not be so required, from time to time publish and promulgate architectural standards bulletins which shall be fair, reasonable and uniformly applied in regard to the Lots and shall carry forward the spirit and intention of these covenants, conditions and restrictions. Although the Architectural Control Committee shall not have unbridled discretion with respect to taste, design and any standards specified herein, the Architectural Control Committee shall be responsive to technological advances or general changes in architectural designs and materials and related conditions in future years and use its best efforts to balance the equities between matters of taste and design (on the one hand) and use of private property (on the other hand). Such bulletins, if any, shall supplement these covenants, conditions and restrictions and are incorporated herein by reference.

Section 4. Jurisdiction. The Architectural Control Committee is authorized and empowered to consider and review any and all aspects of the construction of any Improvements on a Lot which may, in the reasonable opinion of the Architectural Control Committee, adversely affect the living enjoyment of one or more Owners or the general value of the Property.

Section 5. Enforcement. The Architectural Control Committee and/or the Association shall have the specific, nonexclusive right (but not obligation) to enforce the provisions contained in this Article and/or to prevent any violation of the provisions contained in this Article by a proceeding at law or in equity against the person or persons violating or attempting to violate any such provisions contained in this Article.

Section 6. Definition of "Improvement". The term "Improvement" shall mean and include all buildings, storage sheds or areas, roofed structures, parking areas, loading areas, trackage, fences, walls, hedges, mass plantings, poles, driveways, ponds, lakes, changes in grade or slope, site preparation, swimming pools, tennis courts, signs, exterior illumination, changes in any exterior color or shape and any new exterior construction or exterior improvement exceeding \$1,000.00 in cost which may not be included in any of the foregoing. The definition of Improvement does not include shrub or tree replacements or any other replacement or repair of any magnitude which ordinarily would be expensed in accounting practice and which does not change exterior colors or exterior appearances. The definition of Improvements does include both original Improvements and all later changes to Improvements.

Section 7. Failure of the Architectural Control Committee to Act. If the Architectural Control Committee fails to approve or disapprove any plans and specifications and other submittals which conform (and which relate to Improvements which will conform) with the requirements hereof or to reject them as being inadequate or unacceptable within thirty (30) days after submittal thereof, it shall be conclusively presumed that the Architectural Control Committee has approved such conforming plans and specifications and other submittals. If plans and specifications or other submittals are not sufficiently complete or are otherwise inadequate, the Architectural Control Committee may reject them as being inadequate or may approve or disapprove part, conditionally or unconditionally, and reject the balance.

Section 8. Limitation of Liability. Neither the Architectural Control Committee nor the members thereof nor Declarant shall be liable in damages or otherwise to anyone submitting plans and specifications and other submittals for approval or to any Owner by reason of mistake of judgment, negligence, except for gross negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any plans or specifications.

Section 9. Miscellaneous. No member of the Architectural Control Committee shall be entitled to compensation for services performed pursuant to this Article. The Association shall reimburse members of the Architectural Control Committee for reasonable out-of-pocket expenses.
