John Clor, from Ford Performance, will be attending & talk about happenings at Ford. John swears he is bringing down something cool to admire. Tony Alonso & Scott Hoag will be attending the show. Scott is the former Ford Motor Company engineer who developed the 03/04 Mach1 & 01 Bullitt Mustangs. They will be at the show to sign Tony's new book about the development of the cars. They will have books for sale & will sign books & cars. Along with a talk and walk around the cars. We are collecting items for **Sheltering Wings**, a local women's shelter near the fairgrounds. Items needed include toilet paper, individually wrapped snacks, paper plates, cutlery, & cups. Anything you can do to support the shelter is greatly appreciated.
