He and She seek each other to mate, multiply, companionship, share and start a family. A new family socializes with their own extended family and with others, community living. They build a community (Shire) of social responsibility, moral integrity for a pursuit of a common good for all. Neighboring communities join to become a Tribe!

Tribal living the Custodian Guardian way. Tribal living starts with the family unit. Family units group together establishing a community administered by an elected Shire council. A group of communities become a Tribe administered by an elected Provincial Parliament.

Becoming and raising a family is a combined effort of a community (parents, educators, medics). He, She and their family live in community cluster housing rentals provided by a Shire! He and She are employed on multiples of weekly minimum wage (wmw).

A family attend community education and use community health (SmeC, PHeC, PDEc). They respect dialects, elderly, heritage, traditions and practice knowledge continuity. He and She on Fun-day attend a Gathering and

# 7 Tribes Migration

1 God believes in 7 Tribes

7 Tribes are 1 God's people living in 7 Provinces and many Shires living in harmony with the Habitat!

1 God's long term vision for humankind. Always was that of 7 Tribes with 7 main languages and many dialects. Globalization is destroying this vision, making Globalization Anti 1 God. **Unacceptable!**

1 God's design for Humankind includes the urge to migrate (**swarm, wander**). As Humankind evolved migration evolved. Africans wander d into Persindia, Oceania and Mongolia. Mongolians wandered to America, Amazonia and Oceania later on horseback to Persindia, Africa and Europa. Europeans sailed to all Provinces. The Evolved wandered into Persindia and sailed and flew to all other Provinces.

Reasons for human migration. 1 God's design instinct (**swarm, wander**). Disasters make the local Habitat not livable, climate change make the local Habitat unlivable. **Selfishness** (the grass is greener somewhere else) and population growth.

Humankind has evolved enough. Population growth is sufficient to establish 7 Tribes making up 7 Provinces as envisaged by 1 God! As of '0.1.1.1' (C.G. Kalender) all migration (long or short term) between Provinces has become illegal (illegal are sent back).

**Note!** Asylum seeking is not acceptable they are treated as illegal's. These people (**opportunists**) should have stayed from where they came from and made a difference there, rather than running.

**Illegal migrants (Im)** are returned without delay to the province they came from that includes any children that they may have had. Illegal migrants cannot be integrated, they are always sent back, no exemption. 'Im's' that cannot be returned are prosecuted, **MS R7**. 'Im's' children are put up for adoption. People responsible for helping illegal's are prosecuted: **MS R7**

**Migration** is classified as long term (**re-settlement**) or short term (**tourism, travel**). Tourism between Provinces ends! Trade between Provinces is kept to an absolute minimum! Global trade agreements are cancelled!

**Re-settlement** is only possible within a Province or Space colonization.

Re-settlement is moving between Shires, within a Province!

**Exemption**, 'Israeli' they can only live in the 'Promised Land'. They cannot leave the Promised Land. Israeli found outside the Promised Land in any of the Provinces are immediately transported to the Promised Land.

**1 God's Wish !!!**

**Moving** between **Shires**. There are regulations, adults have to have work at their destination Shire. Before they can move. The employer has to organize cluster housing. Seniors have to organize cluster housing at their destination Shire. Before moving.

**Tourism** developed into a menace. Cruise ships (incubators of contagious diseases, polluters of water) unload tourists that swarm like insects (cockroaches) over ports and local habitat. They disrupt local lifestyle, drive up living costs for locals. Increase health risks. Create mountains of waste. This entertainment of the idle well off Ends! This also applies to air, rail, coach tourism.

**Travel** is only possible within a Province. **Passport is obsolete**. Business, Government use Internet, Video conferencing to communicate with other Provinces.

**Globalization** started migrating businesses (franchises, multinationals) and organizations. Globalization is Anti **1 God!** 7 Tribes making up 7 Provinces are envisaged by **1 God!** Globalization ends!

**Franchising** is a Greed, Profiteering cloning marketing system. That uses a particular business model than clones itself. Designed for mediocre small profiteering capitalist. To spread cancer like (Globalization) over the Planet. Customers lose their identity. They look and eat the same in New York or Berlin. Mindless Zombies.

Franchising destroys local traditions, uniqueness, diversity, culture. Most Franchises are 'US' or based on US marketing systems. They offer often unhealthy products: Junk food outlets, US culture clones are the main cause of the 'Diabetes' Plaque, 'Obese Plaque (Blubber people)', high Blood pressure epidemic, Acne... Franchises destroy local Cuisine,

Fashion... Communities, Government that allow foreign franchises to operate betray local cuisine, heritage, traditions and population, **MS R7**

Franchises destroy diversity by selling 'Designer clothes'. These clothes are uniforms (**jeans..**) for people who betray their culture, heritage, mindless, primitive, dumb clones. Shun these dummies!

Franchises with their slick marketing (**exploiting human weakness, gullibility**) a main cause for addictions: Shopaholic, Gadget Junky! Franchises are understaffed, use poorly trained underpaid juniors, casuals. Customer service is poor or non existing. Most 'Bargains', 'Sales' are Fraud!

Global franchising defies **1 God's** anti globalization. Confiscate (**without compensation**) all franchises, convert them to local **CRON!** Hold greedy parasitic profiteering franchisee accountable, **MS R6**. Support local unique traditional business (**converted to CRON**).

**Foreign ownership** is migrated capital! That alter, corrupt, destroy local: culture, values, jobs, traditions,.. Foreign ownership plunders local: Intellectual property, know how, resources, wealth... Allowing foreigners to control, exploit, own, plunder is treason! Government that allows foreigners to take advantage (**Rip off**) of locals is committing treason a crime. Government is replaced, **MS R7 Foreign ownership Ends. Free Trade Ends. Examples of how Foreign Ownership Treason works:**

Foreign ownership drives' up land, real estate prices. Making Homes not affordable for 1<sup>st</sup> home buyers'. Result, increasing homeless... Foreign ownership of Freehold (**land, real estate**) ends. It is confiscated without compensation by the Shire.

Foreign ownership of entities results in foreign leadership positions. Denying locals to hold these positions. Decreasing promotion opportunity increasing unemployment.. **Dumbing down of local staff.**

Foreign ownership of manufacturing results in importing their supplies. Rather than buying local. Also local intellectual property goes offshore!

Foreign ownership of entertainment undermines local talent and their opportunities. Brainwashing locals to become foreign culture clones losing their entity. Foreign ownership of entertainment is the greatest threat to local culture, customs, dialects, traditions. If you are American watch America, province entertainment only.

Foreign ownership leads to local wealth going overseas. Leaving locals poor, destitute. Foreign Masters owning local peasant servants.

Foreign ownership of franchises destroy local business, uniqueness, diversity. Undermining local traditions forcing unsuitable foreign culture on the local community. **Betraying locals.**

Foreign ownership of resources leads to the foreign owner selling the resources cheaply to his country of origin benefiting them. Robbing the locals of the resources, their wealth. **Letting foreigners own local resources is Treason, MS R7**

Foreign ownership of food production, food distribution. Result: Food production caters for export leaving locals with the export rejects at high prices. **Also some local foods will be replaced by a foreign diet.**

Foreign ownership of media is an invasion by stealth. Foreign media influences locals to the benefit of foreigners. Destroying local culture, heritage, traditions, corrupting politicians, Government. **Government (giving in to foreign media blackmail) loses their sovereignty (becoming stooges to foreigners ), betrays the local population, commits Treason, MS R7**  
Example: **Australia' politicians groveling to US media!**

Foreign ownership often leads to blackmail. Foreign multinational demand a Government give them handouts, tax freedom, cheap labor. Government is threatened that if it doesn't capitulate to the foreign owners demand. They will find a government that does meet their demands and move their operation there. **Example: Australian Government regularly paid (100's of millions) out to foreign multinational car companies. They sent executive bonuses' home and increase their foreign shareholders dividends'. Note!** Australia eventually said no to Foreign Car makers blackmail. Car makers (Ford, General Motors, Toyota) closed factories, sacked workers, send suppliers broke, become importers. **Custodian Guardian do not use transport from these companies, they cannot be trusted. Zero tolerance to multi nationals!**

Foreign ownership is possible because of betrayal by corrupt Government. Government, Government employees that facilitate this betrayal are to be replaced and prosecuted for 'Treason': **MS R7.** Foreign Ownership is an invasion, occupation without the use of military force. **Defend your community from this threat. Foreign ownership ends!**

Outer space migration and re-settlement is human, destiny!

# 7 Tribes Languages, dialects

1 God believes in 7 Tribes

1 God's long term vision for humankind. Always was that of 7 Tribes with 7 main languages and many dialects. Globalization is destroying this vision, making Globalization Anti 1 God. **Unacceptable!**

1 God likes continuity, variations, unique: Languages dialects! Globalization, a global language canceling other languages and unique dialects is unacceptable! 1 God opposes globalization, global languages and holds those accountable who pursue global...

Humankind was held accountable:

Ancient, Tower of Babel!

Current, Twin Towers New York!

## Shire Dialect

A 'Shire' is multilingual and traditional. A Shire uses 2 languages in its administration and education. A provincial (1st) and a local (2<sup>nd</sup>) Dialect. Dialect is any other language then the Provincial language.

A Shire dialect is selected by using the language of the 1<sup>st</sup> settlers in the area. Where the 1<sup>st</sup> settlers language is the same as the Provincial (main) language. The 2<sup>nd</sup> and 3<sup>rd</sup> most spoken languages (not main language) go into a Shire referendum.

Each 'Shire' is responsible for teaching and usage of the main language and local dialect. All 'Shire' communications are multilingual. Dialect is a Shire heritage that evolves to a Shire tradition. Dialect (Tradition) forms a continuation between past, present and future generations.

A 'Shire' has a dialect name: Example: 'Wiesngau' dialect is 'Bairisch' (Bavarian). Main language is Deutsch (German).

**01.3.7. Shire day Celebration (NAtm)**  
Shire Day also celebrates the local Dialect!

## Gathering

Custodian Guardian on Fun-Day attend a Gathering and adhere to Fun- Day themes. The program keeps local traditions alive: dialect, dress, drinks, food, music, dance, customs..
