#### Meeting #3

Tuesday, May 22 at 6:00 PM College of the Mainland LRC 131 1200 N Amburn Road

#### **Meeting #4**

Tuesday, June 5 at 6:00 PM United Way Galveston County Mainland Training Room 2800 Texas Avenue in Texas City

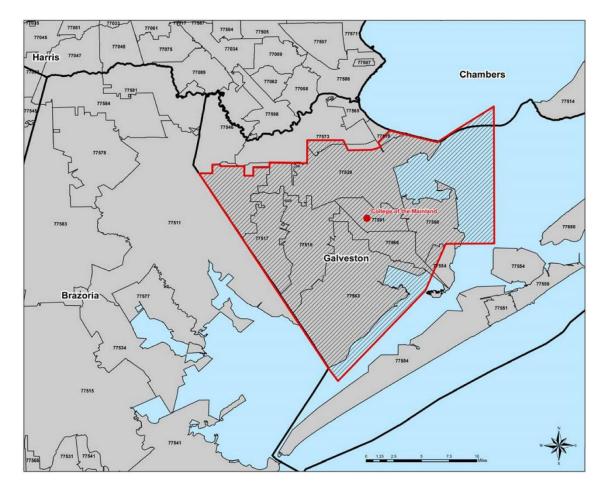

# **COM Demographics**

# **ECONOMIC INDICATORS**

- Stable, middle-to-upper-middle class communities
- Relatively high level of home ownership
- Household income
  - \$50,000 \$75,000 (17.2%)
  - \$100,000 \$149,000 (17.2%)
- Level of education
  - High school graduates (22.6%)
  - "Some college" experience (24.0%)
- Employment
  - Private sector (76.9%)
  - Self-employed (8.1%)
  - Government (15%)

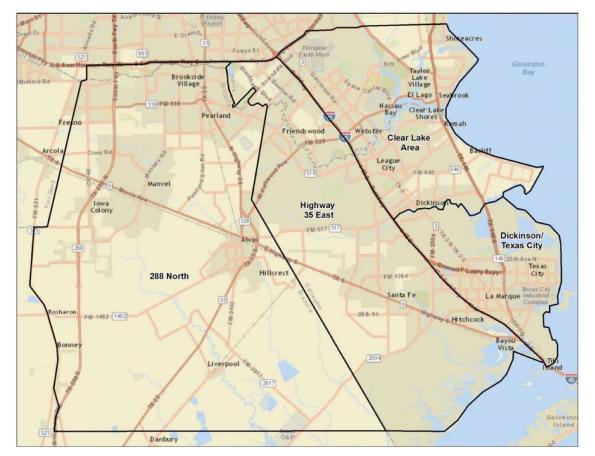

**COM Taxing District** 

# **SINGLE FAMILY HOMES**

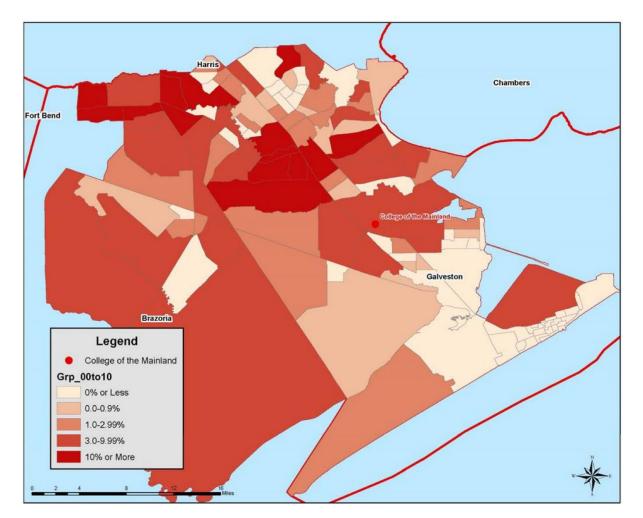

- 2015 Annual Closings dominated by subdivisions along the Interstate Highway 45 corridor, generally on the northern boundary of COM service area.
- Highway 35 East submarket had 810 Closings (Friendswood area) and the Clear Lake Area submarket had 774 Closings. Dickinson/Texas City submarket had 121 Closings.
- Vacant Developed and Future Lots suggest the majority of future growth will remain in far northern portion of COM service area.

Submarkets for New Single Family Homes

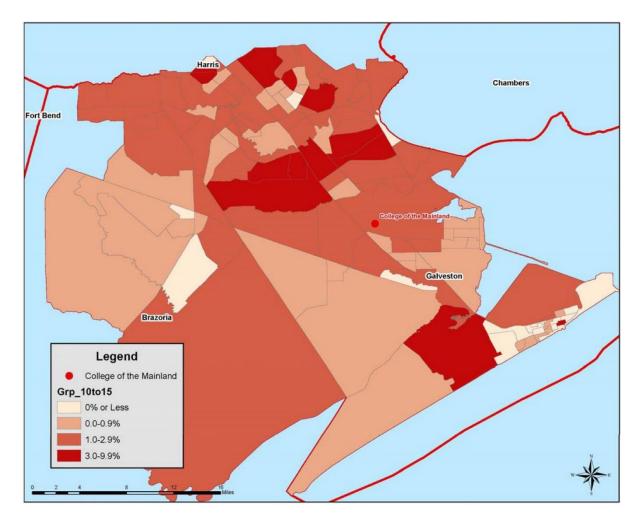

## HISTORICAL AND PROJECTED POPULATION

#### **Population Census Tract – 2000-2010**

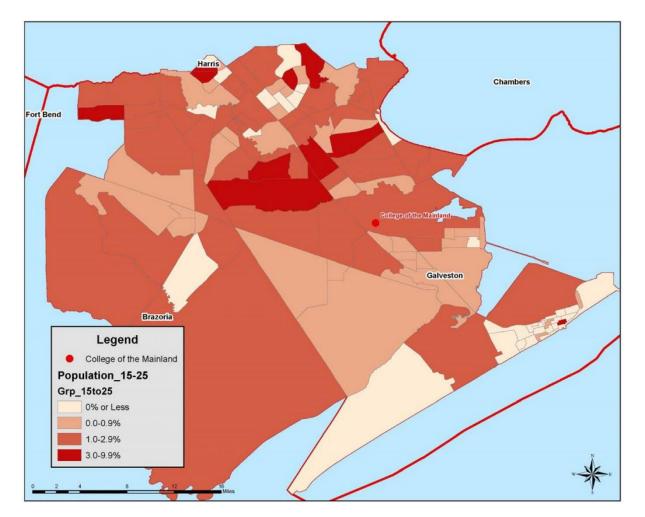

## HISTORICAL AND PROJECTED POPULATION

#### **Population Census Tract – 2010-2015**

## HISTORICAL AND PROJECTED POPULATION

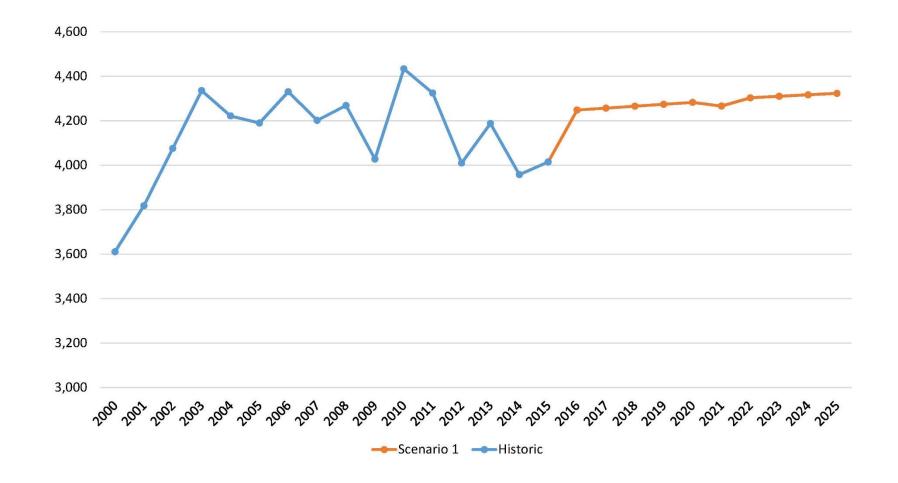

#### **Population Census Tract – 2015-2025**

#### **ENROLLMENT PROJECTIONS – SCENARIO 1** Baseline

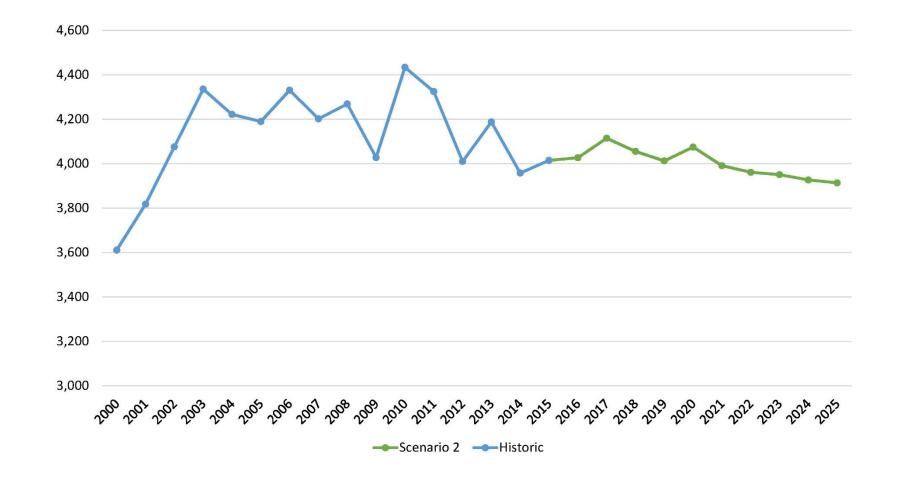

**Texas Higher Education Coordinating Board (THECB)** 

#### **ENROLLMENT PROJECTIONS – SCENARIO 2** Low

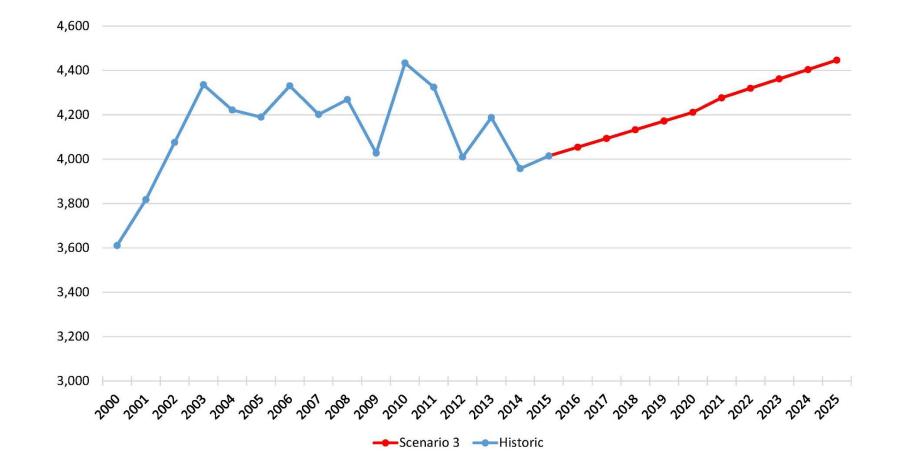

East Mean Square Based On 2000-2015 Total Enrollment Trend

#### **ENROLLMENT PROJECTIONS – SCENARIO 3** Mid

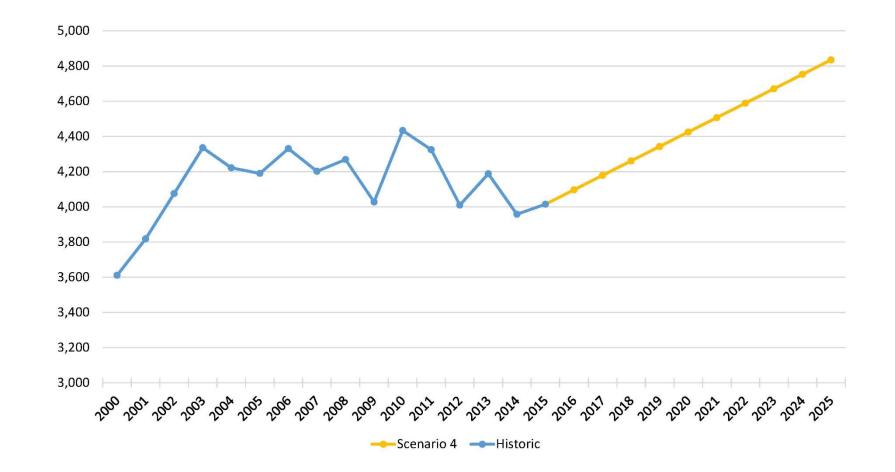

#### **Census Tract Capture Rate Methodology**

#### ENROLLMENT PROJECTIONS – SCENARIO 4 High

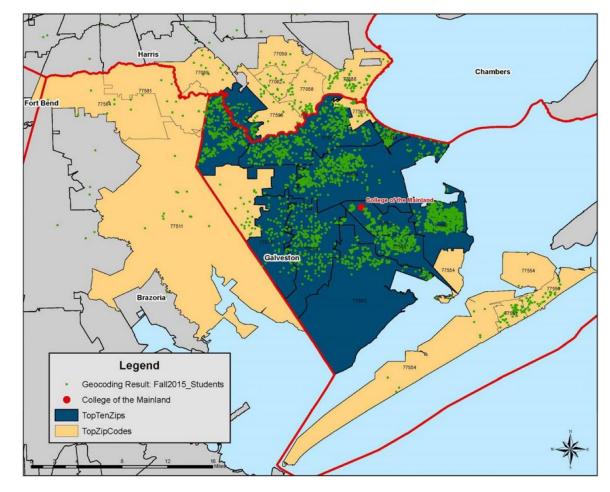

#### 2000-2010 Growth Rate

# **SUMMARY**

- Growth will likely be concentrated in the north portion of the COM service area.
- Area immediately around campus (Texas City / La Marque) projected to grow, but comparatively slowly.
- Enrollment growth for the main campus
- Location will need to be driven by physical and programmatic improvements that draw more students.
- Physical proximity to a community college affects attendance.

**Student Residences (2015)** 

# Community College Finance 101

# **FUNDING SOURCES**

#### Tuition and Fees

• Set by the Board of Trustees

#### Local Property Taxes

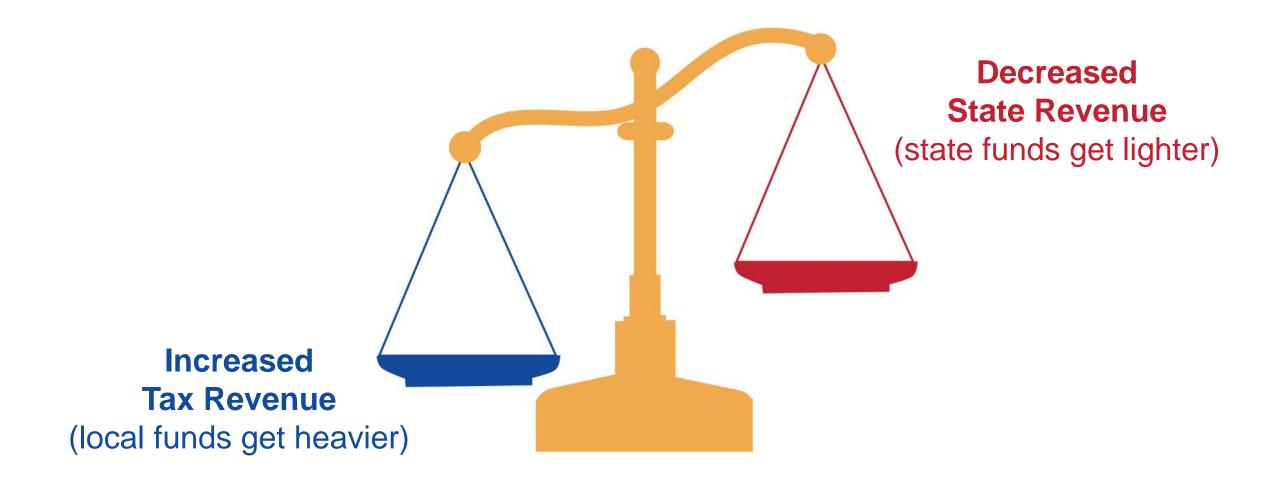

- Required by state law to levy annual ad valorem taxes for the maintenance of district facilities
- A Board may also issue bonds for the construction of school buildings and to purchase land

#### State Appropriations

- Texas Legislature appropriates general revenue funds to public community colleges
  - Core Operations
  - Student Success Points
  - Contact Hour Funding

# **IMPACT OF TAX REVENUE ON STATE FUNDING**

# M&O VERSUS I&S

#### Maintenance & Operations (M&O)

#### **Day-to-Day Operations**

Instructor Salaries Classroom Supplies Utilities Transportation

#### Interest & Sinking (I&S)

Debt Service Capital Expenditures Land Building Construction/Renovations Technology Infrastructure

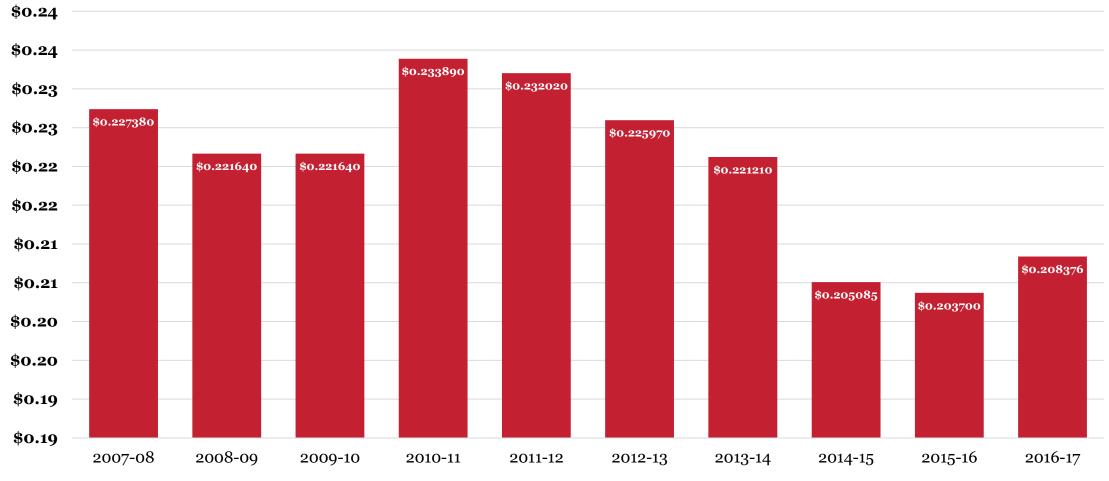

# **DEBT SERVICE**

- Funds collected only for the repayment of debt (i.e., annual principal and interest payments).
- May only be used if the College receives voter approval.
- Under current State mandate, Colleges may set an I&S tax rate not to exceed \$0.50 per \$100 valuation (COM Current: \$0.00).

# COM TAX RATE HISTORY

■ M&O ■ I&S

# COM History – Bonds & Building

# **COM BOND HISTORY**

#### December 1966 - \$2,850,000 Bond

Voter-approved bond helped build the current College of the Mainland campus, including the administration building, the Learning Resources Center, the Technical-Vocational building, the Math and Science building and a central utilities building.

#### May 1970 - \$4,750,000 Bond

Voter-approved bond helped complete the construction of the campus, including the Fine Arts building, Physical Education complex and Student Center, as well as expanding the Technical-Vocational and Math-Science buildings.

**1985 – Maintenance Fund** 20,000 sf expansion of Technical-Vocational Building

# **COM BOND HISTORY**

#### 1991 – Maintenance Fund

Construction of 2 Industrial Education Buildings

#### 1999 – Maintenance Fund

Construction of 10,000 sf Public Service Career Building

#### 2016 – \$16,200,000 Maintenance Project

- Did not require voter approval
- Capital improvements to current campus facilities, not for the building or expanding of the campus
- First time COM has elected to proceed with major maintenance improvements since the college was first built
