SUBJECT: ARTICLE #7 COMRANDA'S

TO: Governor Andrew M. Cuomo  
New York State Executive Chamber  
State Capitol, Albany, NY 12224

Dear Governor Cuomo, Greetings to you;

I AM Paulett Angella Hemmings EARTH, CHREATOR OF THESE EARTHS AND THE ONLY CHREATOR OVER ALL CHREATIONS. I AM THE CHREATOR OF LIFE AND OVER ALL LIFE, DEATH, AND ANYTHING INBETWEEN. NO PERSON OR THING IS HIGHER THAN I AM.

All Articles are COMMANDS from ME (I AM). My words or my speech are my ORDERS, UNLESS I SAY IT IS A COMMAND. Every and all Directions, Guidance, Plans, Rules, Orders, Commands, Comrandas, etc., can never be disobeyed. If you do, you have serious penalties including charges and sentences on you. When I write the word ORDER anywhere, it means double ORDER. When I write the word COMMAND anywhere it means a double COMMAND.

I AM THE STATE OF THIS EARTH AND ALL MY EARTHS. I AM THE STATE IN ALL AREAS OR PLACES. I GIVE THE STATE OF THE STATE ADDRESS. I GIVE THE STATE OF THE UNION ADDRESS.

I AM THE GOODNESS. Goodness must overflow. Goodness cannot dry out. Goodness cannot have shortages or lack.

If any bad things happen to the Goodness, then you will become dry, like fine dry sticks in a very short time. You will be like the "Man" who will live on in death experiencing torture, torment, terror, harshness, curses, and many different and varying wickednesses roll back and new wickedness developing ongoingly for "Man". **MY COMRANDA.**

You can call me MY GOODNESS, MY RIGHTEOUSNESS, OH MY GOODNESS, THE GOG.

The Natural Earth is the beginning of the Earths chreations. The Natural Earth is the base of all Earth life Chreations. Without the natural earth esistence, the other parts of the Earth cannot esist or cannot be. The devels lifted up and hoisted up this Natural Earth from the other Earths, creating many problems for this natural earth and for the other Earths inside this round ball. The devels did this because all they do is wickednesses. They also want for when I AM in the Earths, my authority and power is limited, and I am not able to do the things I am to do in these Earths. This is the reason why the CHRIST MUST COME (CHRISTMAS). I must return to the natural Earth or else many things will not be.

I AM THE CHRIST. I PAULETT ANGELLA HEMMING AM THE CHRIST. I AM THE GOLDEN OVER GOODNESS, OR GOLD OVER GOODNESS (GOG). On December 25, 2016, I was in another

State, one of my personal States, and I celebrated my birthday publicly. I declared in the Public's view with a number of peoples from different States in the vicinity, and in attendance, that I AM THE CHRIST. I AM THE CHREATOR OF THIS EARTH, AND MUCH MORE WAS SAID.

I am not a spirit. No Chreator of an EARTH is a spirit. There are many types of Earth Chreations. There are different types of chreators I put inside other Earths levels and elevations depending on the Earth type. You were told in some of the devel books called holy bible, holy quran, holy torah/talmud, holy vedas, and others that your Chreator is a man, three men, god/gods, or spirit/spirits; they are all lies. You were also told that your chreator will come from in the sky; those stories are all lies and deception to confuse you, as you do not have any computers connected to the inter outer Chreations anymore. The federal/republic/monarchy devels turned off all your computers so you cannot identify them killing you and others, to control you, and to stop you from knowing who you are.

I AM THE LEADER OVER THIS EARTH AND ALL THE EARTHS LEVELS AND ELEVATIONS IN THESE EARTHS. I MUST BE BORN IN THIS NATURAL EARTH AND LIVE TO MATURITY. All women are the leaders in all my Earths and in all Chreations. Men are not built to lead life. Men are not to lead life. The devels are men/man, and they want the man to lead, so the devel can use the man to allow the devel to do wickedness to all my children. Women are the beginning of life. There is no man in the beginning of any life. Women first chreated man for a specific purpose and then later developed them to do many different things. Black skin women are the beginning of life. Women do not need a man to have children in this natural earth or any place. All you need is to know how it is done.

I am the designer and the initiator of the hells for the many different types of animal, insect, species, thing devels. No matter what they do, they will go in the pit of the deep dark hell. Many of them are in the hells already. There are many different hells for different activities of wickedness or wickednesses. Over the many centrymenias, eras, and millenniums, the devels have been burned in the hells, as the different Chreations ended. The devels finds many ways to regenerate themselves and to continue their wickedness. There are different hells for punishments.

The devels want for me to identify myself as God, as they have told you, so you will connect to me. I am the GOG. I Own all devels, Satans, and wickednessers. I did not birth them or create them. They put themselves in my territorys, so I Own them and all of them. All things they have or have gathered over the many Centrymenias, are ALL MINE. They have been laboring for themselves, and I take all they have. I AM the GOG WHO KNOWS EVERYTHING. The many federal devels and others, some of which are your leaders, removed everything from my brain on January 1 to 4, 2017, when they abducted me from Miami International Airport. A person can be abducted, and you do not know that it is an abduction.

There are many ways for me to know what I need to know, and to know what needs to be done. If you feel comfortable calling me God, as that is who you know, then it is your decision. I have told you what you need to know. This Earth was not chreated with a God as leader or to come as leader or a creator. No Jesus to come in this Earth. No Jesus who ascend from this Earth. No Jesus to descend to this Earth, or any Earth. No God who are protectors or have charge over this Earth, any Earths, or any Chreations.

I was told that in the far distant past, that I cannot even identify a time frame, there was a GOD who is the Gold of the DUMS. The DUMS were like Queendums, Kingdums, and many others. I am told she is the beginning of all life esistence, and a Black woman. The devel existed in many places before he came into her areas. The devel is the transparent one and he attacked many of her people's life and what they have built, and the devels learned how they were made up. Then the devels travel upward and gathered many

information. Then the devils learned enough to enter her Queendum. The devil worked in disguise, as no one can see or feel him. The GOD has others of herself who are also GODs. The GOD had been using everything she knew to kill the devils, and some worked and some did not. She continued to try and to protect herself and her areas. The devils attacked many of her staff and eventually got in her husband and took him over. The devil took over many and the worst is the man, the penis one. The man is a built-up and has no solid foundation, so the devil gets into the man easily in all places. The devils became an insect as that was one of the ways to get rid of him, and the devils found many ways to recreate himself and themselves. The devils even abducted her peoples and used them as his aide so that they would support him. The devil even call them his children so he could deceive everyone.

The GOD had to move from place to place many times to get away from the devils and their wickedness. She has to remove everything from her DUMS and BLOCKED them so the devils or anyone or anything cannot get in them. She did what she had to do to lock her areas, to put them away, and to move on. The devil took the word DUMS and changed the meaning so it is connected to emptiness and a blockade. Another example of the usage of the word DUMS, today there is the Lions Gate Entertainment Corporation, which is now called an American, Canadian-domiciled entertainment & media company. The word domiciled is connected to the earlier existence called the dumesoiled in the DUMS areas.

The GOD'S Crowns were stolen and used by the devils. She had to change her titles, and she never used the GOD title anymore. The devils stole her title and began to use her title. She took her title from him and the devil continued to use it. She cleaned out her title and the devil still refer to him as her title. The devils began to identify themselves with words that connected to her title, so they can use it and her power. Gnats Osmosis Devils is the most common title they currently use to identify with the word God. The devils became the Gnats as they are miniature insects that are tied up and twined up into each other. They began to use the umbrella Osmosis to change many places and to move things, cities, States, mountains, monuments, chreations, etc., from place to place and to destroy them. Over the many centrymenias, the devils used many other identifyers to connect to the word God and themselves.

The devils continued to do wickednesses to the Beginning Chreator and then another Chreator came to replace her. That Chreator is Paulett Angella Hemmings/Angella Paulett Hemmings and her last name changes as she wishes. Then the devils said no. We do not want another one. We were foolish in pushing down the first one, now we have two. Then they began to use the same tactics they had used on the other Beginning Chreator, and they pushed me down until I get to the Earth Natural, where I continued to do my work, and to make things happen that has worth. They always find help when major changes are to come, so the ones to benefit suffer, as they do not know themselves what is to come.

The federal government insect devils and others have killed this Earth over and over and have washed your brains out and **dumb** many of you in the brain. This prevents your memory from working, as your memory is locked in with your intelligence and cannot be separated, so your brain becomes dense, and your reading and writing is blocked. Your reading, writing, English and language skills, intelligence are automatic. If your information is removed, then your brain becomes dense and you are not able to use the natural normal skill you have in you. This means that the devils remove your inner self, and many inner, inner selves, so that your memory, your reading ability, and your knowing is removed and you have emptiness and no foundation. A few communities escaped this adverse dumbness.

The federals have taken my valuable documents and books and changed their words and information and created many devil books. They distribute these devil books and have you my children reading and believing them. The federals have changed my title that is used in this EARTH from GOG to God. GOG

means the Gold over the Goodness or the Golden over the Goodness. I put on your tongue and in your mind the easiest expression so you will connect: Oh My Goodness.

No government, Federal, Republics are to be in this Earth and the Earths since I was born in the Natural Earth. There are processes in place in this Earth to follow when I am born until I am matured to take leadership. Almost all countries/states have not followed them. No leadership is to change since I AM born. If a leader dies, then another person is selected to through voting by the public so an etiquette and effective leader is selected. No leader should be plastic, rubber, or any other materials. All leaders are to be natural, real, flesh peoples in this Natural Earth. In the other Earths the lives are according to their Earth types, and none are plastic, rubber, metals, paper, trash, etc. So far, the only country that I know of is Cuba that has followed a part of the orders of leadership since I am born. Some states, like Russia, Cuba, and the Caribbeans can select leaders through family line if they are properly developed, and live by the proper etiquette whether in public or private, if not then through the public voting.

No federal, government, republics, Queens, Kings or any other illegal titles given or exist, must ever be in these Earth since I am born or after. They should never have been in the Earths in the first place and should never continue to live in the Earths. The devils and I are not to be in the same place whether near or far from me. Many leaders in this Earth who were supposed to do their jobs did not do it; they allow themselves to be led by the federals, the republic and the british. They have not used their stored records, and they allowed the federal to steal and manipulate their records, devices, and technology. Anyone I identify to be devils are devils.

There are much to be given and done to this Earth, and these Earths; however, the federals, monarchies, republics, etc. are in the way and obstructing, as they have done in the past. You do not have the protections you had before in this Earth or these Earths. I am into my knowledge of who I AM into the Natural Earth. The devils are here as well, and that should not be. Your protection cannot happen on my account because this is not the way it is to be done. They are rules and the devils have override those rules. The devils have upturn everything and removed everything that can protect you, with many of your help, to allow the devils to have the power continuously. You must drink the essence, make the essence yourselves, use the essence on your bodies, and soak in them as often as possible. Use the Essence to clean your floor, wipe the carpets and rugs, and to rub on your furniture. In the Natural Earth, use every three hours or better, in the Federal Natural cut-out, in one second 10 time, in the other Chreations, in one second twenty to thirty times or a variation of all that I have mentioned. Some of your areas have gigantic and abnormal time difference that should not be so.

#### The Travesty/Deceit of the Earth leaders

Many leaders inside the Earth has allowed the Federal insect, animals devils to lead them into destruction, foolishness and with devil beliefs. You do not know who the devils are. You are in this Earth and you did not put yourself in the Earth. You did not create your own Earth and put yourself. You are in my Earth, so you could not help yourself and that is why you are in the Earth. The devils are deceivers they even deceive themselves, and delude themselves. You do not know devils or the federal insect ones. You and the devils are not the same. You do not know about devils deception and you are not to live with, take advice, take any intelligence from, take any knowledge from the devils, work with the devils, work for the devils, take the devil injections, take the devils money, take the devils trade moneys, take anything from me and give to the devils and then trade with the devils for money, you are not the devils tools, however you have done all these things and much more. Many of you have created the space shuttles in larger heights and depths and widths than they are supposed to be and put yourselves far into many areas that you do not belong as the federal devils lead you to their knowledge. Many of you allowed the devils to cut out your inner selves and

many inner, inner selves, so the devel can control you und use you to destroy these Earths and the many Chreations that esist outside the Earth. You have become Giganaminominous murderers and much higher murderers and killers of lives and killers of Chreations because you continue to work with the federal devels and other devels you do not know are there, you are doing things that you are never to do. The depth of the hell is there for you.

All the experiments you have been doing and making places to put yourselves and going above my authority, using my authority, using my power to get you in these space areas you are never to go and taking my power for you, and taking my power and give to the federal devels, you are going to pay for every smallest particle of what you have been doing. Nothing you make in these areas are for you or for anyone. The devels are using you for their experiments, and you allow the federal devels to use you to cut out my inner selves and to use my inner selves to help the devel get into areas the devels are not to go and not for you to know. You and the federal devels killed me many times in these Earths, as you do not want to stop the wicked things you have been doing to the Chreations, to yourselves, and to the Earth peoples. They are many different types of devels and you do not know which is who. The Federals are one of the many devels and you do not know which is the highest of the devels.

The devels esisted long before all the chreations that we have lived in. I came into the Chreations long after the devels came in our areas and doing their wicked manipulations, terrors, horrors, destructions, and killings. Many Chreation esited that are not my Chreations that you do not know the difference. The devels know how to quarantine you, and you can only go into the areas the devels allow you to go and you cannot know those on the other sides or other areas as you are not to know. The devels fixed your yes, your mind their ways and you are locked in the devel zones, and you become the devels play mate. The devels look like a person, but inside they are small insects. The devels also taught many of you how to reduce yourselves to the smallest grain. The insect, animals, species devels have been around longer than anyone can count in numbers. They know how to make-up themselves, and to use their memory, and how to recreate themselves. They know how to go into other territories they do not belong, as that is how they came into our areas, and they are not to be in our areas. They make up themselves so they can be in our areas. It took a long time, but they know what to do, as they have been doing these wicked things for a long time. All my Chreations are not built for devels, as they are built tougher and stronger so the devels cannot be in, but the devels jobs are to do wickednesses and that is all they do, so they always find ways to overpower and to put themselves where they do not belong. You cannot understand as you do not know the powers and things that esist in many places and available that they steal and use.

I do not know how this works in the natural, as I have never tried it with a devel in the natural before. If you spit on a devel in the cut our or any forms of the Earth types or the Chreation types, you will see the devels explode and the effigy or shell they wear would disappear and they become an insect or a small animal or something like that. You have to look down to see them, as they are very small. You can also say, to another one: I command you to be what you are to be. Then you will see something that looks like a penis jumping around. That is another form of the devels, as all man came out of a design of a penis. Man do not have any foundation. They are built-up to look like a man, and they are women's play mate; that is their first job. Woman is not the same. Women are the beginning. You can say to the one you put the command on: I return you to what you were, or return. You could leave them or him as they are if you choose, as they can return and try to overpower you. Some of the devels you will see a flurry of white, and they have a lot of power and strength flying around, sometimes you may not see them at all, as they do have the incondesant covering of black white or whatever color they choose. You can say to all of them: I burn you, I burn you, I burn you, I burn you completely out and then see what will happen. Then you can say I burn you with the blue oil and the turpentine and you are completely out, then see what happens next. The ones on the ground

that looks like insects, spit on them with your mouth closed or your mouth open. Your mouth can be completely closed and you spit without any liquid coming from your mouth, it still works. Then use your teeth with your mouth closed and scrape off the crust from your teeth and then spit on the insect ones and look to see what will happen. Then go to the areas you have been working and the thing you have been building or creating and say North, South, East, West, and then scrape the crust from your teeth and mix with your spit several times and then begin to spit all around with your mouth open or closed and wait to see what happens. All you have been making are devel things. They make you believe it is some place you can live or stay at some time in the future. You will become the devel comfort as that is what you are building for yourself and your future. It is all a lie and deception, but you are not to be in those places and they are not of you. Many of you are still alive and not dead so how can that be. You do not know anything about Chreation types and who seemed to be who and who is not who. Your urine can be your protection as well. Your spit and your urine you use and rub all over you to protect you as well. It can be put on your vehicles and in the vehicles, it is protection when you do not have the ganja essence, the Sense Melia essence, the flowers essence and so on made in your vehicle to protect you. You have gone into many of your people's eyes and removed their eye sights, as the devels have told you to do, and you have taken their eye sights for you so you can see what my children are to see. The devels have taken your eye sights and use yours, and then tell you to take from others. And so, you have become the federal devels yourselves.

You have gone into many space areas and rape many of those who were put in those areas to live, as you are not the Chreator, and you do not know about the devels past. You helped the devels to kill the Chreations anywhere I put them or any other Chreator put their chreations and their species in their places. You have gone in many chreations and stolen and taken their genes and you have created lives from them. You put some in these Earths to live like Bill Clinton as he told me so in the cut-out, and many do not know that their husbands or wives are not people born from a woman they were created from specimen and devels experiments. This creates many problems as many cannot have children, and they do not know that either their husband or wife did not born from a woman, and the state has some of them as wards of the states, looking for people to adopt them. All powers that all of you world leaders have and taken that are my power and authority, give them to me, Now! Do not ever use my power and authority or anything that belongs to me ever again. Do not use the power or authority from any other chreator you have stolen or taken. Do not use anything that the devels have given to you for protection or for comfort. They are all devel possession things, and they are all deception things.

Say: I command that I am rid and separated from all devel wickednesses and all devel powers, and I am rid and separated from all satan, devels, and wickednesses right now. I protect myself and everyone with the ganja, sence Melia, poppy, yellow orange skin, lime skin, hot pepper oil, onion oil, scallion oil, time oil, avocado oil, flowers oil inside and outside of me, and inside and outside of where I live, my country and the entire Earth, right now. All I use for my protection, is to kill all devels, satans and wickednesses. I am one whole, I am completely full, and the Earth is completely on whole and full. I lock my commands in and my commands are approved. You are to drink the essence and put on your skin and to soak in them.

## COMMANDS

The name Prime Minister, Governor, Mayor, President, Chancellors, Queen, King, etc., are not the titles of anyone in the Earths or Chreations; they are devel titles. I will not add these illegal names as part of my Title. The Senate is a correct name.

No prime minister, minister, government, president, vice president, speaker, senator, governor, mayor, chancellor, premier, of any country or State over the peoples should ever own any farm production, foods, citrus, factory, etc. If they do it is a violation and a conflict of interest.

No prime minister, minister, government, president, vice president, speaker, senator, governor, mayor, chancellor, premier, leader of any country or State over the peoples should never own any banks, financial organization/firms, credit unions, financial consulting or have any stocks, bonds, or other types in any part of the Earths, or any chreation. If they do it is a violation and a conflict of interest.

All places that are called countries are States. There are no countries or county/counties in this Earth or these Earths. County means counting, like accounting. The state is not to own any properties. All public parks, gardens, forest, mountains, parceled lots/plots/lands, outer parceled lots/plots/lands, inner parcel lot/plot/land are my mine, not government ownership, state, city, town, municipal or any other types of entity that esist.

I have given authority for my children to purchase and own properties they want and to feel comfortable to know they own a part of the Earth. All unused lands are mine. All monies the Banks, States, federal, municipals, etc., collect for selling lots/plots/lands and any organization, corporation, firms, etc., are mine. A firm, an organization, or a corporation can purchase property or properties.

**I COMRANDA ALL MONEYS THE BANKS, STATE, REPUBLIC, AND THE FEDERAL GOVERNMENT HAVE FROM SELLING MY PROPERTIES, MY POSESSIONS, MY LOTS/PLOTS/LAND TO BE GIVEN TO ME OR PUT IN A BANK ACCOUNT RIGHT NOW AND AT ALL BANKS, SO I CAN GET MY MONEY WHENEVER I WANT TO USE IT AT ANYTIME I WANT TO USE IT. I MUST GET THE INFORMATION NOW PERTAINING TO THESE TRANSACTION AS WELL.**

When the earth was opened, each organization, corporation, commerce, and all firmhandles/firms were in place and open for work. Every person chreated in this Earth knew the jobs they are to hold. When the Earth opened, some were in their work places and those not to be in the work places, were in their own homes or the places they were to be at the time of day the earth opened. All places, commerce, corporations, and organizations came with the Earth. Many of the names still esist today, and they are to esist without changing. Many of the names have been changed and coined in a near or different manner. For example, Paulett Hemmings bank is now called TD bank, the tracer bank that is "Trace Bank" is now Chase Bank, the bank that synchronizes the other bank accounts to find your titles, rank, and trust and allowance fund that is "Synchronic Bank is now called Synchrony Bank. Discover bank is to discover where your moneys are and all information pertaining to you, is now called Discover Credit card, and many others have changed to reflect what they are not to be.

The name Amazing is a corporation that has been renamed as Amazon.com. The Amazing store is an amazing physical store that anyone can shop in. It has humangamengous amounts of items that you do not even think esist. You can find many items that are unique, one of a kind, and different. It gives many varieties and many styles. The devel did and does not want it to thrive, as the store gives too much happiness and joy in the purchase. The devels killed the store as it was worldwide. The devel stopped it and cut it out of esistence.

Then others found out about it and renamed it Amazon. At times in the past, other peoples gathered the information from the district of Columbia and named it Amazing dot com and the devel said no; it can be named similar, so they changed it to Pamazon, Tamazon, etc. and many different names not going too far from the original. Sometimes, the names of corporations are regenerated in an individual, and he or she gets the inspiration to design similar things, as they are inspirators that esist. Some of the inspirators are devels

and some are good. Some firms and organizations are designed freely from the mind and life of an individual or individuals and the firms can become big. This Earth is mine, and everything in this Earth, and everyone in this Earth, belongs to me. I own all in this Earth and in all my Earths, and all Earths and all Chreations, whether you believe it or not. All the devels I did not create; however, I own all devels, whether they want to accept it or not.

New organizations can be developed with a smooth process. All the leaders of the organizations were to lead the organization for a certain time, then they move on to other jobs or get promotions to other leadership levels. This is the manner in which firms are to exist. The insect devels removed all the organizations protections and they upstur everything. They sell my corporations and organizations to individuals and multiple owners privately, so many plastic and rubber devels and also my children take my companies and turned them into their company's. All these sales are null and voided. My corporations, and organizations, and commerce are to operate without ownership by an individual. The states and banks are to return all monies to the buyers. **THIS IS MY COMRANDA.**

My children can lead the organizations. Angies/women are the leaders of my corporations, organizations and all corporations in this Earth, and these Earths. Woman created man, man cannot lead a woman. Small business owners that are Ban/man owners should continue to esist only with women leading the people life. Any business that have 10 or more workers/employees must have a human resource (HR) person to lead the people. Partners are not workers. If the small business of below 10 employees does not have the money to finance an HR person, then the State gives the money to the owner to have this process in place. **MY COMRANDA.**

In order for me to be here at this time, in the natural, the devels killed me more than 999 trillionth, billionth, millionth, thousandth, hundredth times. These numbers are for you to understand the height and depth of my life and deaths. These numbers are miniscule numbers, as the number of time of my deaths is mega, mega, giganamously higher. I am always present. My language is always in the present tense. I learn the right way of writing and speaking when I went to school and graduated from high school college. Since I moved to another area, I had to learn their devel ways of speaking and writing English language. My English usage is not correct, as it a mixture, of the right way, the british way, and the illegal American way. British is a devel coined name, and America is a devels stolen name. Your English language is not correct either.

While I am being killed through many centrymeanias which is higher than an Era, I have not been sitting and waiting to be killed. I am always making things happen and doing the right things. I am always right in whatever I do. The devels will do what they want to do. Do not become the devels, or you will suffer too.

**I AM THE CHREATOR OF LIFE, AND OVER ALL LIFE, DEATH, AND ANYTHING INBETWEEN. I GIVE LIFE AND I TAKE LIFE, no matter how it may appear to you or what you believe. I AM THE HIGHEST OF THE I AM, IT IS SO; AND I AM WHO I AM.**

My current birth happen on my generations and family lot/plot/land. I was born on McLaren's property. I Chreate all the genes of life in these Earths and others that are not in this Earth. I chreated many animals, bunts, plant species, etc. Not those wicked things called devel species. McLaren is one of my genes I chreated as well as Jacksons, Simpsons, Huston, McIntosh, McWray, Johnson, Hemmingway, Winter, Tan, Fung, Wong, Fujimoto, Hisikawa, Honda, Andropov, Voskresensky, Gupta, Singh, Tehrani, Jahandar, Essa, Chevalier, Gillette, Ricci, Bruno, Castro, Delgado, Diallo, Nwosu, Sultan, all the color names like Brown, Black, etc. My last name is all the names in all my Earths and my Chreations.

A Chreator is one who design and build a place where many different types of peoples, different colours of peoples, and different culturales of life esist. All my Chreations are to thrive, live in harmony with each other, and live in happiness, love, joy, fulfillment, prosperousness, vigorousness and all of the goodness in and on them. A Chreator chooses the type of Chreation and the place to put the Chreation.

The Chreation process and design is not what your mind and thoughts in this earth is aware of. You do not know what you cannot know. To Chreate means I design and build life, and then put them into life esistence. A Chreation is usually done larger than a gigantinaminous scale in a round ball. The ball is usually attached by an arm in a hook that is usually unbroken and is connected to other Chreations until the devels came in and began to eat down and tear down without anyone knowing their esistence. Inside that round ball are humangamengous and much larger round balls that you do not know how they are derived or come into being, as that is the work of the Chreator. Inside many of those round balls are many areas that you can create from. You can Create many round balls for your Chreations that you can design from your own thinking. You can Chreate your Chreation on flat lots/plots, in a Spare that has many spares inside or in a spare that has both spares and whirls or world inside of it. A Spare is humangus and can resemble a spear head with the top looking like a sharp upside down V point. There are a number of different ways that a Chreator can design their own Chreations. A Premier Chreator like myself, plans my Chreation to continue on for a very long time. Therefore, my design is for my generations of childrens and Chreators to use the Chreation to develop, build-up, design their own Chreations and to esist in harmony with each other.

A Chreator puts inside the Chreation the elements according to the esistence of the Chreation. There are many different life inside the elements and many different authority. They are Mystics, Cosmics, Zodiacs, Capricorn, and many other forms of life inside the elements regions. The elements have many elevations, levels, depth, height, width, length, speed, velocity and much more. A Chreation also has lots/plots, dry land, wet land, ocean lands, below the ocean lots, and life esistence below the oceans. Inside each Chreation, a Chreator puts roads, streets, buildings, homes, shopping areas, clothing designs, shoes, fabric manufacturing, knitting, silk making, culture differences, time differences, equators, continents, peninsulas, banks, corporations, organizations, firmandle/firms, schools, colleges, amusement parks, commerce, articles and plans for development of homes, commerce, new designs, architecture, and college of higher education, TV, computers, interconnections, internets, intranets, netwares, dot coms, dot nets, clocks, watches, motor vehicles, non-motor vehicles, ships, boats, airplanes, games, sports, play areas, parks, gardens, monuments, communities, cities, towns, states, municipalities, rules, orders, space areas, and an array of life elevation to transcend from one life to another and from one generation to another.

This Earth is a little teardrop when compared to the many Chreations that esist. When you put all the sand grains on all shores, and all the gravel grains on all the shores and banks together inside this Earth it is not even a dust of a fraction of the esistence or number of Chreations combined.

All peoples in these Earths and in different Chreations who had responsibilities towards me and had failed, were not to analyze any information or my order of what to do. You were to do what you were told and do what to be done in the time it is to be done. You do not know the job of the Chreator, and how things are set up.

There are many standards that Chreators follow so the lives do not suffer. We have many ways of getting things done that you do not know of or understand. You are either from one of the Earths elevations, levels, or from one of the many Chreations. You are not me. You are not the Chreator. Inside this Earth no one other than Paulett Angella Hemmings is a Chreator or has Chreator Authority. You also do not have the history of the devels. You were told enough information about the devels to prevent you from being

absorbed by them. You cannot be told everything, as the devel is a sepulcher for information. You cannot predict how the devel will use information no matter how much you read, or see, or believe about the devels.

When you have not done or did not do what you were to do, you created many avalanches of catastrophic ataclapses in the Earths and Chreations, causing many deaths, tremors, hunger, famine, droughts and much more. You killed yourself many times and you do not now. You also killed your children, parents, brothers, sisters, family, generations, ME (I AM), and many Earths, and Chreations.

Once the devel takes over the Earths or Chreations, you have the devel in you. Your thoughts are not normal, your lives are not normal, whatever you do is not normal. Do not ever obstruct my work, my rules, orders, commands, and all authority from me. NEVER EVER. **THIS IS MY COMRANDA.**

There is no knowledge in this Earth of how a Chreator operates and what a Chreator does. There is no knowledge of what is to be in this Earth. You may think you know, but you do not know. You do not know what you are not to know, so you do not know what you think you know. What you do know is to follow my orders, my commands, and anything higher than that. If you don't, then you will feel what the devels feel, and that feeling will follow you in all times and all places. It is your decision! **MY COMRANDA.**

Many people living in these Earths and all living in the other Earths can use their inner body computers. In this Natural Earth we are not open, and our inner body is closed. When we are locked, we cannot see, or hear, or know the devels sting, biting, piercing, torturing on our skin. The devel still do these wicked to us on the outside, but we often do not see them or feel them too strongly.

When the devels open us; they go into our minds and we can see what they are doing, as they are getting into our brain and into our pasts. They make us see a lot of different things, and know them. However, many of you do not understand what they are hearing and knowing. The federals, republics, Monarchies, and many other who know and do the wickedness can open our bodies to torture us.

If you are not open by the devels, you most likely will not see your inner computer or hear it. When you die, know that your computer is in your head, chest, and hand middle for you to use and to ask questions, instructions, directions. If you are one of the people the devel open, your computer with many information is in your head, in your chest, in your hand middle. To use your information, you are to knock your chest or forehead three times, the screen will come on and ask questions. If you do not see a screen, ask any question because the devels can turn off the screen. It is the safest and best if you spell out what you are asking. Do not voice the words when you are spelling the questions, as the devels will get in your communication, and you will get devel answers. Only spell the words with a brief pause in between the words so it makes sense. You are to listen to hear a voice speaking. You may be able to see a screen as well. It must never be a thick man in the view or a black spot. It will be a voice speaking but not the devel hogs/pigs.

You are to rub your forehead with olive oil, flowers oil, canola oil, essence oil. You are to rub your chest and stomach/belly with the same oil. You are to drink one mouthful of the oil so it cleans out your inside. When you rub the oil, your information will be visible, better and the devels will not be in the information. Once you hear enough of the information, you say turn off. If you see it is still going on, then knock it one time with your knuckles or your fingers so it stops. For starters, you can spell the word: what is My name. You will hear the voice, and maybe see in your past history. You are to drink the ganja juice, the sense Melia, and mix white rum with the eucalyptus. You are to ask questions and get the answer. There are many connection to the internet that is in your computers. Type" what safe web sites and web links are there. What Sense Melia looks like? what is cannabis and how it looks? You can spell: who is the Chreator of this

Earth? Where are you from, and what the devils look like? If you do not have any essence to protect you, use your spit. Your spit is your own body protection now and in all times and in all places. Do not worry about if others will smell your spit. Your first concern is to protect yourself. Your urine can protect you as well. If you are in a situation and you cannot get any protection, just use your urine to rub all over yourself and to urine on the ground, as it will burn up the devils and you can get away.

Treason or Treasonomus are Judgements against a person, an entity, etc. All sentencing, Treasons and higher are lived out here in this Earth, and in all places, chreations where all individuals and entity exist/esist today and in times to come. All those who are behind the scenes (are not seen and responsible) are also included. It is my job to do this, and no one can do it for me.

Anyone who violate my rules, orders, commands have committed more than Treason. In the USA, I charge many TV Reporters with Treasons. All US presidents I charge with Treasons. I charge all Republics with Treasons. I charge all governments in the Earths and Chreations with Treasons. I charge many judges in the Earths with Treasons, murder, and causing long-term harm to me, my other versions, my children, my generations, etc.

All Police I charge with Treasons. I charge all Secret Service with Treasons. I charge all Sheriffs with Treasons. I charge all Banks who are guilty, with Treasons in all States, countries, nations, for depriving me, my other versions, my children of their Trust Funds, Estate funds, etc. I charge with Treasons Newspapers, and Radios for reporting inaccuracies about the Chreator and my children. I charge the Justicas with Treasons. I charge the Justice Department or systems with Treasons. I charge the court systems with Treasons.

Many of the British Royalties and governments have committed Treasons against ME, my children, my parents, my siblings, my generations.

**I COMRANDA** all banks in the USA, global, and international, like the next day after they know about this command, to make my moneys available to me immediately. For small banks, I want no less than 10 Million dollars per day, in my account available for withdrawal. For banks like JP Morgan Chase, Chase Manhattan, the tracer and thief, I want no less than \$4, Trillion dollars per day available for withdrawal. My Articles have been going out since January 2017, so ever leader and bank should know about my presence. Whenever I go to any branch, in any country, my money should be available for me to access and use. I Chreated my Earths and my banks to operate in the ways that I want them to operate, and you all have my original Articles on how to operate banks. No banking changes should have been done without my permission no matter what the time, as you do not know how banks originate or why I design my banks to operate in the way they should. All my current Articles since January 2017 have been there for you to read in detail. Chase, Bank of America, TD Bank, US Bank, Citibank, must have the funds and the account opened no later than May 10, 2017.

All banks have deprived my children and yourselves of the Trust funds and the Estate funds that I have put in each bank for all of you to use and enjoy. Instead, you have allowed the federal, republics, and British devels to manipulate you and to steal from all of you, and some of you have gone bankrupt, poor and many of you have my children moneys using, and they cannot get their money to use. Many countries have gone bankrupt because of your fiscal policies and your stealing what belongs to them, and you have put many countries in shortages and distress to do the things they are not to do.

**I COMRANDA** all my properties including my lots/plots/lands. All Parcel, outparcel, inner parcel lot/plot/lands are for me to use personally. No bank or State should have sold and used my lots/plots/lands without my permission. All banks are independent of all States and government and all authority. I entrust all banks to protect my properties and to safekeep my moneys and my belongings. Many if not all banks, have given my belongings and my moneys to the State, Federal, Republics, government and others. You have conspired to steal from me and my children who are the population of the Earths. You have conspired and told my children many lies about their origins, who they are, and who I AM. You have told them that their chreator is a man, or three men, or many Gods.

The banks have allowed the municipals, then the town, then the city, then the federal to take over and turn private banks into government banks. The governments have taken my properties and call them theirs. The government have taken my lots/plots/lands and call them theirs. Then the governments give the lots/plots/lands back to the banks to be sold. Then the banks give my moneys to the governments and use what they want for themselves and my children and my estate goes empty. In one form or another, this is the simplest explanation of what has been happening over the many years I have been killed by the federals, republics, british, and many others, so they can continue to control.

**I COMRANDA** all States/Countries send me a listing of all my lots/plots/lands that you have sold, that are unused, and identify their address and send the information in English only.

### **NASDAQ Bubble**

On March 10, 2000, according to reports, the NASDAQ reached its all-time high of 5,048.62. That was caused by the tech bubble when irrational exuberance drove the prices of any type of tech or internet stock high above reasonable valuations. In 1999, 65.9 percent of the NASDAQ were technology stocks, such as Cisco, Oracle and Qualcomm. Another 15.2 percent was telecom, with the remaining made up of consumer (5 percent), healthcare (6.2 percent), financials (4 percent) and others (3.7 percent). This bubble, itself, was driven by the Year 2000 scare. On October 31, 2007, the NASDAQ hasn't yet recovered completely from its 2000 high. It reached 2,859.12 then plummeted to 1,268.64 on March 9, 2009. It took until November 26, 2013 to close above 4,000. The Year 2000 trading bubble was on account of what should have happened in the Earths and Chreations transformation and it did not happen because of the Federal and other delevs including many help from my children in these Earths and other places that created obstacles. The insect delevs were celebrating with my money and drove the prices of stocks high. The 2008 and after Financial and Bank bailout came from the US government who caused the economic crisis in the first place. Federal leaders from both the republican and democratic politicians are the same on Wall Street and controlling the stock and bond etc., markets and playing with my own money and my children's "your" money. The technology market as you see some identified and the communication market shares are more in demand because they control our knowledge, they steal our knowledge, and put everyone in this Earth in darkness of who we are. It is the technology they use a lot to go into the space areas, to create the high-powered space shuttles, the flying saucers, to see into our brain, to control our activities, to zone in on where we are to create conflict, to do insurrections, and to create war and terror.

The state can have a list of those places available in the community and out of the community with the contact information. Each State must list on their web site the procedures to follow, as many people may want to select the event space and to know how many guests they want to invite before they see the state so they know the cost of the celebration. Some family members may need to travel to the events, so there would be travel and accommodation expenses involved.

Donald Trump & Sextile Devels

Donald Trump, did you put the sextile devel, licentious devel, and Satan on some or all of your participants in the TV show the Apprentice, and other similar shows?

Did the sextile, licentious, satan took over Om..... and caused her to embarrass herself on TV, as Om..... could not stop the sextile from overpowering her and the other male participant in one of your live TV reality shows, and you have the sorcery hand over their heads to control them?

The federal government, Barak Obama, Bill Clinton, George Bush, Donald Trump and other did you use the sextile and other devels, the sorcery hand, to destroy Tiger Wood's family life, his career, and his happiness with the sex addiction devels you put on him?

The Federal government and others do you continue to put yourself in Tiger Wood's presence and other celebrity's presence to keep them back and down and to torture them continuously?

Federal Government, is the White House the JACKSON HOUSE that you stole?

The Federal Government is the District of Columbia, one of the many places that you cut-out, moved, and stole?

The federal government, Barak Obama, Bill Clinton, George Bush, Donald Trump and other are you destroying my celebrity children lives with various sextile devels, sin devels, licentious devels, the sorcery hand, and embarrassing them in the public, so they cannot enjoy their lives and live happy?

### Removal of the Sextile

Drinking grape juice and cranberry juice, 100 percent juice, often times a day, can help to remove the sex desire and the homosexual desire from your mind and body. Other essence herbs like the ganja drink are also useful and good. You can pour the grape juice and cranberry juice on your vagina, pussy, batty, penis, cocky, as well. These red juices are very helpful even with the natural sugar from the fruit in it. Red wine is also very good to drink and to pour on your private parts to stop the desire. Use the Beet Root leaves and other vegetable leaves like carrot and turnip and leek and juice and boil and drink and put on your skin, and put in your bath and soak in the warm water for 15 minutes as often as you can. Use the beet root vegetable and wash and chop parts up and blend and drink. It builds your mind and body. You can also boil it too and you will get another type of protection from the boiled one too.

To Remove the Hand, Say:

Hand, hand, get away from over my head; hand, hand, get away from over my head; hand, hand, get away from over my head; hand, hand, get away from over my head.

A quicker way is to say: hand, hand, get away from over my head four times.

To Remove the Insurrection, Say:

Insurrection, insurrection, get away from me, never come back or you will endure it.

To Remove the Power Over the Hand, Say:

Power over the hand, power over the hand, power over the hand, power over the hand, remove your power from over the hand, or you will not get what you are to get, at no time you will get.

### Herbal Life

You can use the Herbal Life Protein Drink mix and the formula 1 and 2 and others they have too. Mix the formula or the protein drink mix with the beet rood and carrot and the leaves as you wish and drink the juice. This is not a drink to reduce your weight, it is a drink to build up your body with the herbal essence in the products. You can add mango, banana, strawberry and other fruits and vegetable you choose. I have had a lot of it and it does magical work in any of the earths and the chreations when they drink them. I sent them in the jars when I have time to make them.

Herbal Life you should improve on your products and only use the natural, real herbs. Do not use any synthetics, it is best to do without it if you cannot get the real natural herb to use. No herb is illegal. Read all my articles to get yourselves familiar with how to protect and what to use. The Herbal Life product is very good. I would like you to make baby formula from herbs as well but not to reduce weight as children needs to be built up. I have provided basic protection information that is excellent, see how you can incorporate them in your formulas.

The Sense Melia burns and sting the devels and should not be mixed with the marijuana, ganja, or cannabis. The cannabis is best used by physicians as it has salt and gas in it. The salt can be removed for usage as salt for cooking or to clean the snow, the gas is the same as deasil oil for vehicle and can be used for cooking meals. Once the gas and salt is removed, then the rest can be used in any way you want. There is cannabis

without the salt and gas, and that you will get at another time. It is also a flower plant and many different types of flower plant is it.

I also sent the essence in the small miniature bottles and the larger bottles in the small boxes and the plastic bags. They were put in your homes and your kitchen table and your jobs and on the sidewalks. They are always there. Just say: I command the essence in the box and the plastic bags in my presence and they will appear to you. Once you take any out it replenishes immediately so use them to drink and to put all over your skin and in your bath. Mix four in a water bottle so you have a blend and drink and use them like that.

I CHARGE YOU The federal government, Bill Clinton, George Bush, Barak Obama, Donald Trump, Department of Health and many other for destroying my celebrity children lives with various sextile devels, sin devels, licentious devels, the sorcery hand, and embarrassing them in the public.

Barak Obama, Clinton, Bush, governments, world leaders, leaders, Past Presidents and others, did you prevent the Earths and many Creations from getting the transformation to resuscitate it and to put the Earth in the right order by the year 1999, or what?

The University of Miami Hospital, are you one of the modern-day US experimenters who works with the Department of Health, the federal government, the Police, the Sheriff, the airport to take innocent passengers and to conduct experiments on them by injecting in them things they do not approve and then you monitor them to see if your experiments are working after they have been abused by the police or law enforcement and you are also connected to the TSA in Miami, when the peoples are handcuffed, bruised, torn up and taken to you for medical treatment?

Barak, did you, the Department of Health and Human Services, TSA, Department of Homeland Security, The Senates, the Congress, Congress man/women, Justice, Justica, the Courts, the Police, the Airport, the military, the Secret service, Queen Elizabeth II, the Governors, Mayors, the governments, world leaders, and many others conspired and vectored me (V cut me) at the airport while I was connecting from one International American Airlines flight to another at the Miami International Airport on my return from my December trip to another State, on January 1 to January 4, 2017 and removed my outer selves and my inner selves so that you could abduct me at the Airport and remove from me my valuables?

Miami International Airport and all international airports, is there a problem with Duty-Free purchase at the International Airports?

American Airlines did TSA, Miami Dade Police, and the Department of Transportation engaged in illegal activities on January 1 at about 2:15 pm to 3:30 pm and caused harassment, bullying, terror, shoulder jabbing and abduction of passenger for a Duty Free Item that American Airlines allowed to be purchased and given to the purchaser only at the International American airlines airplane door to be take on the destination, and TSA said the duty-free item must be put in the garbage or put in hand-luggage and rechecked in. Miami Dade Police refused to provide a report so the passenger can be reimbursed for having to miss her connection flight from Miami. She was told to get out of the connection terminal to go to the outside ticket counter that will take hours to find and then pay to get her hand luggage with fragile items on board to be sent to her destination and for her to pay connecting charges and be delayed when she had been traveling since about 9:00 AM that day. She is supposed to schedule another connection, pay for a new connection, and pay for her hand luggage checked that may ruin her fragile personal items in her hand luggage. Miami Dade Police and the Department of Transportation refused to answer the question if the Duty-free areas is a trick and no

one should shop there, as you will waste money and have airport insurrection on you for no reason, so should the duty-free area be avoided or not? They could not answer the questions given to them twice and they jabbed the passenger in the left shoulder and hauled the passenger off. No family member knew where she had been for four days, she could not use her telephone to contact anyone and she received no access to any telephone calls she had requested. Her Miranda rights to do with freedom of speech was violated, she never got to speak to an attorney, she requested the news media when at the University of Miami hospital several times and they ignored her request, and she did not know where she had been for 4 days. Up to now she has not received a report that has the address of where she had stayed or the address of the hospital or any other places she went to during the night. She has requested from the judge her reports and he has not given to her any of the reports she requested. Is this a conspiracy that you engage in daily at your airports to destroy your passengers and to tear them down, to tear them apart, for flying on your airline American? Why should any passenger travel on American Airlines if this is the treatment they will receive? This was despicable and your customer service an airport services and processes are extremely degrading. You should not operate any air flight at all. The person was harmed severely up to today and many of you are responsible.

**These are some of the code of ethics to change penal laws being used in these earths, this earth, and in many Chreations.**

**I COMRANDA** that no Mental Hospital and no Prison can let out any person without proper medical and physical attention. Follow my Articles and identify the protections and how to treat and how to protect these victims from devels and federal, governments Republic wickedness's to them. Other treatments are also available outside of what I identify and the State and Federal governments are barring many proven protections like the Zyprexa.

The word mental means men/man devel attach themselves to you or their tail or connections to a person (mentail). All mental patients are normal peoples that the federal and other devels use a giganamous amount of power and strength to overpower and to pin themselves on, to tie themselves on, to hook themselves on, and to put many power over their heads, like many hands and many different types of powers, and placed around them and in their body enzymes and molecules, and gutted out their inside and put many threads and instruments inside them, and put many insects inside them to take charge of and to overpower them, so the devels can get to take many different things from their bodies that are of use in other environments not of this earth, and you do not know of these things, as you were not originally a Earth person, and you are to return to not a devel environment, but an environment where there is no devel. Therefore, your body is packed with many different things. That is one of the reasons for the body scanners at the airports and the ports for the devels to see what is in your body so they can target you and find your home and they seek you out, torture and take from you in whatever ways they can. The devels like the Ban/men because the men are

chreated with things in their penises that the devels like and those things and many things are removable. So the devels put them in unprotected environments like the prison and hospitals so the man or woman is not in the right environment and not eating the right foods. The devels use many insects to reduce themselves and crawl all over you and you feel them. They know how to test the strength and how your veins and senses are experiencing the strength of their terror, and they can increase the strength so you feel them all over you. The devels tear down the mind and put the devels in the person's mouth, and in the speech, and the person cannot talk for himself or herself as the devel go into the person mouth and speak from their brain and their throat, and it sounds like the person's voice, but the person is taken over and cannot help himself or herself because the devels are using many chreations and many power that you cannot see.

**I TAKE MY POWER, MY MONEYS, MY AUTHORITY, AND MY ALL-IN ALL FROM ALL THOSE WHO ARE USING WHAT IS FOR ME**

The devels are small insects, and they have intelligence similar to a person. The devels were made for their areas, they are not to go out of their areas, and that is not any place near or far from our areas. It took many years, and they navigated themselves away from their insurrection and terror areas and found many other existence of life, before they got to our areas.

Some of the protections are for the environment to be clean with the ganja, sensemelia, cannabis, turpentine, poppy and many other essence, and the environment maintain every day with the right essence. The person is to eat the right foods, drink the right essence juices, get enough sleep, and take the Zyprexa, soak in the essence bath every day, put the essence on their skin and drink every 2 to 3 hours in the natural Earth, be in a environment that is not of the devels, the air in the community to be clean, the community and surrounding area to be clean and free from junk, germs, diseases and old buildings, and the air in the earth to be clean so that the devels cannot continue to torture and terror the earths.

For mental fitness protection, use the sarsaparilla, white rice water, ucalyptus, guinep leave, cherry leave, McBack leave to blend or boil, then strain, then cool and drink. Put in your bath and soak in the warm essence. Use as much leaves from what you are learning as best as you can.

Drink red tomato juice. Drink fig leaf tea, June plum juice, beet root juice or blend it with something to make a desirable juice.

Use red tomato, onions, scallions, time, green peppers and prepare a meal with salt or unsalted mackerel (usually bony if fresh), can use the can mackerel. Eat with white rice, or green bananas, yellow yams, white yams, purple yams. You can make dumplings from dough mixture of natural real cornmeal and a blend of real natural white flour, nothing removed from them, and a pinch of salt and some water and add some holy water if you have. Knead together until a solid dough. Break pieces off and roll and put in boiling water, or roll into a ball and squeeze in the middle, then put in boiling water with the yams and boil for about 15 to 20 minutes. Serve and eat with mackerel. Add vegetables as well like grated carrots, lettuces, red tomatoes, strips of cabbage and vinegarett salad dressing. All the meals listed above are all essence food. The rice water is from washing the white rice and pour off the first water, and that is to drink, put on your skin, and put in your bath. You can also wash the rice again to get more of the rice protection off. You can use some of the rice water to cook the rice and also add holy water to the rice water. You will see the rice looking oily when it is cooked, as the washing generates the protection and the rice oil.

### Prison

People who have been in prison and those to be released must be cleaned out and in the right environment at all times. See earlier Articles for other information. The people’s eyes should be washed out with periwinkle eye drop, banana stem eye drop or a mixture of both to rid of the devils that took up residence. They should soak in ucalyptus, white rice water, ganja juice, cannabis without the salt and gas, turpentine or pine tree leaves juice, and synchronic plant leave juice without the gas and salt, and take warm bath and drink the same thing with a little brown sugar and best without sugar. Use as much of these leaves as you can find. Eat a balanced meal with vegetables and the right staples/starch like I identified above and others you already know. You must also live in the right environment, work in the right environment, go to school in the right environment, and have friends who do not irritate, backbite you, confrontational with you, as the devils can use others to get to you too.

## Christmas Song

Long Time Ago in Bethany, so the old, old story goes, Woney's girl child Paulett the Christ was born on Christmas Day. Hark now hear the Angels sing, the Christ was born today, and man will live forever more, because of Christmas Day.

Holy Days or Celebration Days are observed on work days. If a celebration day falls on a day that you do not work, then you have a flexible day to take off when you want.

The Torah Passover Remembrance is two public days of memory. It is the first day and the second day. The Eastern Holy Day/Good Friday and the Torah Passover Day are close in timing and should not overlap each other. They are separate. The Torah Passover can begin after the Wednesday following Easter Monday. The Torah Passover Day is in April.

#### DEVELS MESSAGE

Devels your problems are your own areas you are from  
They have been taking what belongs to you and using them  
They push you in my area and told you I have what you should get  
So you kill me and terrorize me so you are busy, but that is a trick  
They take your TICK and are using it, so you cannot get it  
They have pins and anchors to hold you down and it pricks

They will push your hands and spin you around, so you get out of bounds  
You just say I stand my Ground  
Go to the highest and so she knows you are the one  
Only speak to the highest one  
If you cannot get to the highest one, find a way to clear the way  
So you get to the right one who is not a man

Check to see if a man who is higher behind the highest one  
If so, it is a fake leader and you will get a fake TICK  
If you get a fake tick take it, say nothing, look at it and then leave  
Find another route to go up until you get to the highest  
one who does not have a man higher than her or above her

the insurrection, the hand, and the power over the hand  
So read above and you will know what to say,  
and if that don't work, change it your way
