President's Message

SOME NEWS AND UPDATES ON EVENTS:

Thank you Ontario Heritage Board and members for the vote of confidence in electing me as your new president. Also, welcome to Louise Melton, our new Secretary and Glenn Anderson as Director of Communications. All of us on your Board are excited to be part of this organization.

Please join us as we continue to encourage the preservation of Ontario's

historic heritage. We have more fun events planned for the remainder of this year. Before you read about those here are some updates of what's already happened.

This was the first year we had a booth at the June 1 Kiwanis annual pancake breakfast and Rotary Club car show. We had fun meeting new people and promoting the home tour. One of our members won two car show awards for his vintage car. We plan to be at next year's event!

Congratulations to this year's Model Colony Award winners! The Rehabilitation Awards went to Karen Starr

If a Waiver is issued, these materials will be kept by the City and attached to the Waiver form. If the proposed alterations do not qualify for a Waiver, then a Certificate of

Appropriateness application and fees must be filed.

Now this brings up another question:

“What is a Certificate of Appropriateness?”

“It is a permit issued by the Historic Preservation Subcommittee for any alteration, restoration, rehabilitation, addition, or relocation to any Eligible Historic Resource. It is used to ensure that any change made to a historical resource preserves the original character and architectural features of that property. The Historic Preservation Subcommittee reviews applications to determine whether or not the proposed changes are appropriate and maintain the original character and features of the historic

resource. A Certificate of Appropriateness is required before any other permits can be obtained.”

The information in this section comes from the City of Ontario Planning Department, 303 East “B” Street, Ontario, CA 91764
