SADIE HAWKINS DANCE

The seniors are hosting a Sadie Hawkins dance on Friday, Feb. 20th. Middle school (5th – 8th grade) dance times are from 5:30-7:30, and High school (9th – 12th grade) will be from 8:00-10:30. The cost to enter the dance is \$5.00 per person. Where? MHS Auditorium. The seniors will also be taking t-shirt orders next week if students would like to order a 2015 Sadie Hawkins' dance tee. They can wear them to the dance, with or without a date. Everyone is encouraged to attend and have fun! T-shirts will be long-sleeve, red, and will have different colors/print on them. They are sure to be cute and fashionable. If I wanted to be cool I would buy one..... (#but that's none of my business). They are \$20.00 each. T-shirt orders are due next Friday and must be paid IN ADVANCE. Pictures will also be available to purchase. For \$5.00 a person, students can receive a 5x7 photo. This is for couples, singles, or group/friendship snapshots. So, if a couple takes a photo, they each pay 5.00, and each person gets a 5x7 photo memory snapshot. Any questions, please call Mrs. Jeanne Mayers or Mrs. Shannon Gautreau at school (225) 695 - 6111

BETA CONVENTION TRIP

Mrs. Wempren and Ms. Yvette took an awesome group of 26 high school students to the Louisiana State Senior Beta Convention in Lafayette January 14-16. The students at Beta Convention listened to campaign speeches and voted for state officers, participated in academic tests, competed against other students in arts and crafts competitions, and watched talented students from across the state perform. Our club also enjoyed fellowship at several delicious meals and at a dance on Thursday night. Special recognition goes to **Sarah H.** who placed third with her entry in the jewelry making contest and to the nine great seniors who celebrated their final Senior Beta Convention this year! Also, a big thanks to the four chaperones who took time out of their busy schedules to drive students to and around Lafayette: Shannon Gautreau, Ginger Mire, Christina Bovia, and Sindy Sturges. And as always, thank you to all the teachers, parents, family members, and friends who have supported these students as they worked to meet the requirements for membership in Beta!
