

Spring has arrived and as a reminder we would like to ask that you have your children wear close-toed shoes to school. Any shoe that allows the bark and sand to get in on the sides is not appropriate. Tennis shoes are the easiest shoes to play in and your children can run around in them. Once again, we ask that you pack a varied and nutritious lunch for your children, and since the weather is getting warmer, be sure there is an ice pack in their lunches.

Thank you all very much for your Scentsy orders. We really appreciate it. We'd also like to offer a big thank you to Miss Lisa who coordinated the fund raiser, and who also very generously donated all her profits to the school. Miss Lisa, thank you very much!!

When coming to school or leaving, please do not interrupt the teachers during our circle times. The teachers cannot have a conversation with you while they are doing circle or during work time. Please call the school for any questions you might have.

At the Big School, please check your child's file which is located next to the sign in/out binders. The files have art work and papers that the children have done.

There is a book order attached to this newsletter and we would like to have the orders in by April 3 so that the books can come in before our spring break.
