

Date	Theme	Speaker
January 16, 1997	Assessing Mineral Status of Livestock	Cheryl Nockels, Colorado State University Dan Gould, Colorado State University Bruce Johnson, Zinpro Corporation
September 25, 1997	Nutrition and the Immune System of Cattle	Frank Blecha, Kansas State University Ken Odde, Pfizer Animal Health
March 26, 1998	The Metabolization Protein System for Cattle	Jack Whittier, Colorado State University Terry Klopfenstein, University of Nebraska Dan Adams, University of Nebraska Tim Stanton, Colorado State University
September 24, 1998	Applying the Revised Nutrient Requirements of Beef Cattle	Danny Fox, Cornell University Melody Grigsby, Brill Corporation Carl Alexander, Dalex Corporation David Lalman, Oklahoma State University
March 25, 1999	Specialized Grains in Feeding Livestock	David Ames, Colorado State University Mitch Anderson, Agland Fred Owens, Optimum Quality Grains Steve Soderlund, Optimum Quality Grains Davy Brown, Ruminant Nutritionist Dave McClellan, Feedlot Consultant
September 23, 1999	Whole Farm Nutrient Management from a Nutritional Perspective	Tom Haren, Colorado Livestock Association Jessica Davis, Colorado State University Mike Galyean, Texas Tech University John Wagner, Continental Beef Research Lannis Smith- Panel, Midwest PMS Bill Wailes- Panel, Colorado State University
March 23, 2000	Supplementing Fats and Oils to Livestock	Dan Rule, University of Wyoming Ken Allen, Colorado State University Bret Hess, University of Wyoming Patrick Burns, Colorado State University Richard Zinn, University of California
September 28, 2000	What is and is not Possible from Mineral Nutrition?	Burke Teichert, Deseret Ranches of WY and NE Terry Engle, Colorado State University Jerry Spears, North Carolina State University John Paterson, Montana State University Paul Siciliano, Colorado State University
March 22, 2001	Relationships of Animal Behavior and Nutritional Management	Marshall Streeter, Alpharma Animal Health Bok Sowell, Montana State University Bud Williams, Benkelman, NE
September 27, 2001	Issues and Standards for Having a Secure Food and Feed Supply in the United States	Richard Sellers, American Feed Ingredients Asso. Bernie Rollin, Colorado State University Temple Grandin, Colorado State University Hussein Hussein, University of Nevada Warrie Means, University of Wyoming

Date	Theme	Speaker
March 28, 2002	Nutrition, Growth Promotants and Antibiotics in Beef Production	Art Raun, Eagles Nest Ranches, Elbert, CO Dan Carter, WY Grad Student Bill Platter, CO Grad Student Bill Baumgardt, ARPAS Executive Vice Pres Gary Sides, Intervet Inc. Pat Mulvehill, Irish Poultry Processors Asso Galen Erickson, University of Nebraska
September 26, 2002	Components of Rumen Function and Dysfunction as They Relate to Beef Cattle Production	Clint Krehbiel, Oklahoma State University Larry Berger, University of Illinois Fred Owens, Pioneer Hybris International Ivan Rush- Panel, University of Nebraska
March 27, 2003	Water as a Nutrient B Its Requirements, Metabolism, Opportunities, Challenges, and How Livestock Impact Its Quality	Michael Murphy, University of Illinois Pablo Loza- CO Grad Student Trey Patterson, South Dakota State University Kelly Lechtenburg, Midwest Feedlot Services Timothy DelCurto, Oregon State University Rick Hoelsch, University of Nebraska
September 25, 2003	Nutritional Impact on Marbling Deposition and the Implications of Early Weaning on Marbling and on Cow and Calf Performance	Dan Rule, University of Wyoming Wade Small- CO Grad Student Ivan Rush, University of Nebraska Aaron Stalker, University of Nebraska Harlow Hill, Maddux Ranches, Wauneta, NE Bret Hess, University of Wyoming
March 25, 2004	Starch Metabolism in Ruminants: Utilization and Application	Dave Harmon, University of Kentucky Richard Zinn, University of California Fred Owens, Pioneer Hybrid International Sean Montgomery, Kansas State University Davy Brown- Panel, Agland
September 23, 2004	Supply Chain Management Systems	Kevin Murphy, Vance Publishing/Food Systems Insider Mike Self, Swift Company Larry Corah, Certified Angus Beef Reed Richardson Texas Tech University
March 24, 2005	Intrauterine Nutrition: Implications for Livestock Production	Gary Tibbetts, Zinpro Corporation Steve Ford Brett Hess, University of Wyoming Joel Caton, North Dakota State University Don Adams, University of Nebraska George Seidel, Colorado State University
September 22, 2005	Western Rangeland Management: Implications for Livestock Production	Dick Diven, Agri-Concepts Inc Burke Teichert, Deseret Ranches John Scanga, Colorado State University Jim Coakley, Coleman Natural Foods

Date	Theme	Speaker
March 23, 2006	Vitamins and Antioxidants in Beef Cattle Nutrition: Implications for Receiving Cattle	Paul Siciliano, Colorado State University Bruce Hoffman, Animal Profiling International LLC John Wagner, Colorado State University Nathan Elam, New Mexico State University
September 26, 2006	Managing Through High Roughages Costs: Feedyard and Cow-calf Prospective	Dan Faulkner, University of Illinois Monty Kerley, University of Missouri Randy Stevenson, Owner/Operator Double S Livestock Wheatland, WY Steve Paisley, University of Wyoming
March 22, 2007	Managing Through High Corn Costs: Cow-calf and Feedyard Prospective (Laramie, WY)	Rick Funston, University of Nebraska Harvey Freetly, USMARC Daniel Loy, Iowa State University Troy Marshall, Industry Leader and the Editor/Publisher for Seedstock Digest
September 27, 2007	Natural Beef: Perceptions vs. Realities; Production vs. Problems and Possibilities; Science vs. Hype	John Scanga, Colorado State University John Lawrence, Iowa State University T.G. Nagaraja, Kansas State University Michael Brown, West Texas A&M University
March 27, 2008	Emerging Issues in the Feedyard Industry (Lamar, CO)	Judson Vasconcelos, Texas Tech University Cal Ferrell, USDAMARC Andy Cole, USDA-ARS-CPRL John Wagner, Southeast Colorado Research Center Ivan Rush, University of Nebraska
September 25, 2008	New Realities of Low Grain Animal Production Systems: Beef Production and Meat Quality Impacts (Fort Collins, CO)	Robert P. Martin, Executive Director of the Pew Commission on Industrial Farm Animal Production Jim Robb, Livestock Marketing Information Services Denver, CO Terry Klopfenstein, University of Nebraska Carol Lorenzen, University of Missouri
March 26, 2009	Emerging Opportunities in Cattle Feeding (Scottsbluff, NE)	Jerry Spears, North Carolina State University Platt Price, University Wyoming Terry Mader, University of Nebraska Judson Vasconcelos, University of Nebraska Scott Lake, University of Wyoming
September 25, 2009	Interactions of Nutrition and Reproduction Beef Cattle (Fort Collins, CO)	Jason Ahola, Colorado State University Andrea Cupp, University of Nevada Andy Roberts, USDA-ARS, Miles City, MT Jack Whittier, Colorado State University
March 25, 2010	Efficiency Opportunities in Producing Meat Production	Denny Crews, Colorado State University Gordon Carstens, Texas A&M University Harvey Freetly, MARC Clay Center, NE Thomas Elam, Center for Global Food Issues

Date	Theme	Speaker
September 16, 2010	Carbon Balancing Acts: Greens Cows and Carbon Footprints	Steve Ogell, Colorado State University John Ritten, University of Wyoming Roger Cady, Elanco Bryan Weech, Director of Livestock Programs World Wild Life Fund John Saunders, IMI Global Kee Jim, Feedlot Health Mgmt Services
September 9, 2011	Applied Nutritional Management in a Changing Feed Environment (Fort Collins, CO)	Dave Hutcheson, Texas A&M University Steve Gabel, Magnum Feedyard, Wiggins, CO Katherine Kessler- WY Grad Student Tony Knight, Colorado State University Jerry Volesky, University of Nebraska Paul Repenning-CO Grad Student John Rakestraw, Agra Holdings, LP Mary Beth Hall, USDA-ARS, Madison, WI Ivan Rush, University of Nebraska
September 20, 2012	Nutrition Research and Educational Updates from Nebraska, Wyoming, and Colorado (Nunn, CO)	Justin Derner, USDA/ARS Aaron Stalker, University of Nebraska Allison Myer, University of Wyoming John Wagner, Colorado State University Deserie Shasa- WY Grad Student Jack Whittier-Panel, Colorado State University Stuart Gebauer-Panel, Agland Kelcey Swyers, Ranch-Way Feeds Gary Tibbetts, Zinpro Corporation
September 9, 2013	Linking University and Industry Efforts for the Benefit of the Beef Industry (Fort Collins, CO)	Tim Holt, Colorado State University Mark Stayton, University of Wyoming Gerald Walker, ADM Jason Ahola, Colorado State University Jenny Schutz, LOOMIX Matt Luebbe, University of Nebraska Kris Wilson, Silver Spur's Bell Ranch
August 28, 2014	Focus on Increasing Cow Herd Size and Beef Production (Brule, NE)	Aaron Stalker, University of Nebraska Karla Jenkins, University of Nebraska Tom Brink, Brink Consulting and Trading George Seidel, Colorado State University Steve Paisley, University of Wyoming Darrell Wilkes, Verified Beef LLC Kent Anderson, Zoetis Animal Health Hannah Cunningham- WY Grad Student

Date	Theme	Speaker
September 10, 2015	Pharmaceutical Use in a Changing Regulatory, Economic, and Social Environment (Lingle , WY)	Scott Lake, University of Wyoming Steve Paisley, University of Wyoming Ashley Stokes, Colorado State University Tony Bryant, JBS Five Rivers Mike Day, University of Wyoming Galen Erickson, University of Nebraska Noelle Noyes, Colorado State University Henry Hilscher- NE Grad Student
September 8, 2016	A Real-World Look of the Veterinary Feed Directive (Akron, CO)	Dee Griffin, Texas A&M University Tom Noffsinger, PAC Group Jon Schoonmaker, Purdue University Ryan Rhodes, Colorado State University Jeff Carroll, USDA-ARS Jana Harding- NE Grad Student
September 7, 2017	Perspectives on Updated NRC Recommendations, Antibiotics and Cattle Markets (Scottsbluff, NE)	Ron Lemenager, Purdue University Galen Erickson, University of Nebraska Colton Atkins- CO Grad Student Terry Engle, Colorado State University Terry Arthur, USDA-ARS MARC Jim Robb, Livestock Marketing and Information
