THE

MESSENGER

JUNE 2016

But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you. *Matthew 6:33*

Campbell's Corner

Greetings to all our Family and Friends,

Let me be the first to say **Happy Father's Day**, to all Father's in the Mangohick Baptist Church. We are grateful for our Father's love, discipline, caring and stern hand. We salute all Father's in the Church. I encourage everyone to express their love, appreciation and gratitude for their Father regardless if they are living or have gone home to be with our Lord.

We had a very active and blessed month of May. Our Spring Revival was very spirited and uplifting. Therefore let us continue going forward with a renewed spirit and a greater readiness to serve in the Kingdom of God.

There are several ministry activities scheduled for the upcoming months. We ask that you continue to plan on attending our Ministry Outreaches and other activities planned during the course of the year.

Special thanks to you the Mangohick Church Family for your service and support for without your willing and giving spirit the work of the ministry could not be accomplished. May God continue to bless your ministry efforts' in all that you do for the Church, and the Kingdom.

Be willing to reach for the impossible. There may be seasons in your life when you will have to step out on faith toward your future and embrace opportunities in front of you. Other times, you may simply need to create an atmosphere of gratitude for what is your present life. Moses was waiting for something sensational to happen, something extraordinary, but God asked him, "What is that in your hand?" Moses said a stick and God simply said to use it. Therefore, I say unto you use what's in your hand, your life and in your mouth to create the future or things you desire.

Lastly, as always continue to keep and pray for our sick and shut-in members.

~ THE MONTH OF JUNE ~ Transformed: My Life in God's Kingdom

**Transformers impact our lives every day –
...and we never think about it!**

Before electricity comes into your house, it first must pass through a transformer to lower the voltage. You likely have several transformers even inside your house. Computers and chargers often have transformer boxes attached to their power cords, reducing the voltage even further. Too much power can destroy appliances and gadgets.

Our lives often experience the opposite. We don't have enough power – if we have any at all. While some electrical transformers are able to boost electrical power, we unfortunately can't manufacture anything like that to increase the power in our own lives.

But Jesus can. Matthew 6-7 is a part of Jesus' Sermon on the Mount, a sermon that shows us the path to transformation. When we live in Him and apply His teachings to our lives, we are truly transformed and empowered. Jesus connected our relationship to God and His Kingdom to every aspect of life. In other words, a relationship with Jesus doesn't just transform us spiritually; it transforms every part of our lives, and gives us the power to live daily for Him.
