Lobby.

***Teresa is here to talk
about the COAD Senior
Programs. Foster
Grandparents, Senior
Companions and RSVP
Volunteers. No
appointment is
necessary.***

***Make a difference in
the life of others***

COAD's SENIOR PROGRAMS have provided volunteer opportunities for individuals age 55 and older. The programs are designed to help older Ohioans find meaningful community service opportunities as mentors and tutors to disadvantaged children and youth, and to other senior citizens who need supportive service to remain in their own homes

RSVP (RETIRED SENIOR VOLUNTEER PROGRAM) provides a wide range of possible volunteering options. RSVP offers maximum flexibility and choice to its volunteers.

THE FOSTER GRANDPARENT PROGRAM

provides meaningful volunteer services opportunities to men and women age 55 years and older working with both children and youth who are in need. Volunteers are placed in a variety of settings such as schools, Head Start Programs, daycare centers, MRDD programs, juvenile justice facilities, hospitals and libraries. Every day in the communities we serve, COAD Foster Grandparent Volunteers are the people children in need depend on for love, wisdom and support. Foster Grandparents help children develop the skills, confidence and strength to succeed in life. Foster Grandparents make their neighborhoods and communities stronger by helping children with special and exceptional needs achieve their goals.

SENIOR COMPANION VOLUNTEERS are healthy older adults who help other adults live independently. They assist with grocery shopping, providing support to family caregivers and with other tasks of daily living necessary to help their client maintain independence. Without the help of Senior Companions, many older adults would not be able to continue living at home and would need more expensive, less personal care.
