**SEPTEMBER 17, 2018**  
**7 PM FIRCREST COMMUNITY CENTER**

**It's time for our FUN SEEDLING CHALLENGE!!!!**

Bring your **FIRST YEAR SEEDLINGS** and show them off!

There is no limit to the number of seedling entries you may bring.

There will be Fun and possibly silly Prizes  
for each of the following categories!

**BEST SHOW BLOOM**

**BEST GARDEN BLOOM** (a garden bloom is one that looks good on the bush, but is not a show flower, beautiful but not perfect)

**BEST CUT BLOOM** (a bloom with great stems, but again, not a show bloom, but that lasts in vase)

**UGLEST BLOOM** (kinda speaks for it's self)

We will also be discussing taking seeds. Green pods, dry pods, which is best?? What do I do with them now?????

*I hope everyone had a successful  
show season! There were many spectacular  
blooms on display at each show!*

**CONGRAULATION to all the  
HEAD TABLE winners!!!!**
