

2016 Pinehurst Qualifier

Play at Pinehurst Resort

How much would you pay to visit Pinehurst, play four rounds on three courses (including #2), spend time in the Pinehurst Village, attend open bar top shelf parties, have amazing dinners, a gift bag like no other and do it all with 3 good friends representing Hunters Green? How about less than \$150.00?

All you have to do is sign up your team and win the qualifier.

The Pinehurst event is Club Corp's premier event of the year. The MGA puts up the cost for you and your team to represent Hunters Green in the tournament of the year if you win the Pinehurst qualifier on May 21 & 22. Last year the team of Earl Lanoue, Gary Wiest, Fred Blatchford and Bruce Vitale won the event and they are ready to defend their crown just so they can go back to that experience. "What a special trip, the facilities were of course first class, and Club Corp did an outstanding job making a premier event, it was awesome," said Blatchford.

Don't miss this event. It is not only worth winning for the trip, but it is also an MGA Hunters Cup points event. Sign up your team today. We have made it easy. You can sign up on the website – www.hg-mga.com, call the pro shop – (813) 973-1700, or visit the pro shop during your next round and sign up in person.

Format

The qualifier is a Modified Stableford event, probably one of the fairest handicapped events you can play. Teams are assigned a point quota total which is determined total handicap's of all 4 members using the following formula:

Combined Team Handicap	40
Multiply by .6	$\times .6$ (adjustment for Shamble at 60% of Course Handicap)
Equals a team handicap of	24
Maximum Quota Points	144 (4 players x 36 points = 144)
Minus Team Handicap	-24
	120
Multiply by .5	$\times .5$ (adjustment for 2 of 4 point totals per hole)
Team Quota for Round	60 (round to nearest whole number)

Everyone will tee off from their respective tees, the team will select the best tee shot and everyone will play their own ball from that location through the remainder of the hole.

The 2 best scores on each hole is recorded and converted to points.

- 1 point for gross bogey
- 2 points for gross par
- 3 points for gross birdie
- 4 points for gross eagle
- 6 points for gross double eagle
- 6 points for a Hole-In-One

Teams earn points for par's, birdies, eagles etc. The team with the highest points above their quota over 36-holes, wins.
