ANNUAL MAUREPAS 3RD GRADE MARDI GRAS PARADE

Third graders decorated floats with the assistance of seventh grade mentors. The seventh graders then pulled the floats as the third graders threw beads and trinkets to the Pre-K through fifth grade and family members in the audience. Thanks to everyone who helped make our parade a success, donated time and materials, and attended the parade! Our third and seventh graders hosted an amazing parade!

FIFTH GRADE IN NOLA

The fifth grade class recently participated in the Preservation Hall jazz music experience. The world renowned Preservation Hall Band performed for and entertained questions from the students taking them on a musical journey through the history of jazz in New Orleans. The fifth graders then had lunch in Jackson Square and beignets along the Mississippi River. The group even saw an eagle on the way down and a smaller one on the way back. (photos by Lori Hess)
