

NTEU's TOP TEN @

Your workplace would be very different without NTEU.
Here are just some of the ways we've improved your working life:

WON SIGNIFICANT REFORMS TO THE HATCH ACT, OPENING THE POLITICAL PROCESS TO FEDERAL EMPLOYEES

Led the fight for benefits like telework, alternative work schedules, and overall leave programs at the bargaining table and on Capitol Hill

Successfully worked to secure **RETROACTIVE PAY** for federal employees after a 16-day government shutdown

Obtained core employee benefit programs including pensions and health insurance that guarantee overall income security for employee and retirees

SUPPORTED PASSAGE OF
THE FAMILY AND MEDICAL LEAVE ACT

Won hundreds of millions of dollars in back pay for federal employees denied their rightful compensation

Protected federal employees' free speech rights in several court cases—including a win at the Supreme Court

SECURED
PHASED-IN CREDIT FOR UNUSED SICK LEAVE

for workers covered under the Federal Employees Retirement System

Won a historic legal victory striking down key provisions of the president's executive orders stripping critical workplace rights and protections

Won flexible spending accounts, saving you money on health insurance premiums and medical bills with pre-tax dollars
