

# CALL FOR ARTISTS: POWER OF PEERS LOGO DESIGN CONTEST

9MusesArtCenter is proud to announce the “Logo Design Contest” for the Power of Peers Program open to all members of the behavioral health community. The Power of Peers provides an opportunity for persons in recovery to direct their own recovery and advocacy process, to teach and support each other in the acquisition and utilization of skills needed to facilitate their own recovery, to promote use of natural resources within our community, to promote the knowledge of available service options, individual rights and choices, to facilitate the development of a sense of wellness and self-worth.

The Power of Peers program enables individuals to engage with certified recovery peer specialists, together crafting new spaces, challenging old ideas and thinking, and making critical human connections to guide successful transitions.

This Peer community is designed to mutually support activities that celebrate each individual path towards recovery. Become a part of this new community and leave your influence on future artists by submitting your design for a logo that unifies each of the disciplines within this service.
