

## Don Linton

Long-time Frederick County civic leader Donald C. Linton hardly needs an introduction. Linton was founder, head or member of the Hood College board of trustees, Frederick Community College board of trustees, Maryland Higher Education Investment Board, Community Foundation of Frederick County, Frederick County Chamber of Commerce and Family Heritage Trust Company, among others.

As a board member of the County's Montevue and Citizens senior citizen homes, he successfully fought their sale, saving two revered local institutions. As president of the William E. Cross Foundation, Linton supported construction of Frederick's John Hanson National Memorial and Jane Hanson National Memorial. His efforts also led to the founding of the City of Frederick Historic District Commission.

Professionally, Don Linton is cofounder of Linton, Shafer Warfield & Garrett, a leading western Maryland CPA firm.
