## GreenStone Ministry - Arizona - Ethiopia

## A BLAST FROM THE PAST

**Boxes of bibles riding on a donkey!** Who remembers that amazing image from the 2009 Immanuel AMEN Bible Distribution trip led by Tafesse Kidane? **In 2016**, boxes of **40 bibles** were carried on the shoulders of strong young men to **RAE** (Remote Areas of Ethiopia). **RV Bibles** (Remote Village Bibles) have become the signature assignment and calling for GreenStone Ministry. And in the future, **BFR's** (Bibles for Remote People) will remain the singular challenge for GreenStone Ministry.

Thankfully, Abeba Gola has returned from her recent Ethiopian victory! Joined by her sister Aster, her brother-in-law Evangelist Girma Oda, and with the same 2014 green van and friendly driver, your GreenStone Ministry team brought 1500 Bibles, 700 packets of school supplies for children and 50 soccer balls, to 12 locations in the northwest and southwest areas of Ethiopia! Check your pulse if that doesn't excite you! Keep watching for videos and photos on social media, at local churches and GSM events! We praise and thank the Lord for His grace and favor!

**"Your Word  
is a Lamp to  
my Feet  
and a Light  
to my Path."  
Ps 119:105**
