

Crossville HEARTS FALL 2024 Co-Op Semester CLASS DESCRIPTIONS

ACT Prep

9th - 12th grade, Teacher: April Turner

We will be going over test strategies during class. A test will be sent home each week and we will discuss student's problems and the answers.

Acting Games

6th - 12th grade, Teacher: Ana Johnson

We will play games like charades, why are you late, dramatic death , and more.

Amigurumi & Small Project Crochet

6th – 12th grade, Teacher: Ana Johnson

- Chain & single crochet knowledge required.
- Must bring hooks sizes G & H

Amigurumi crochet takes basic stitches to make animals and projects. Learn the basics of making crochet animals.

Ancient World

3rd - 6th grade, Teacher: Lena Jackson

We will study about ancient civilizations, create lapbooks, and make crafts.

Auto Upkeep

9th - 12th grade, Teacher: Joe Parrent

Learn common problems and roadside emergencies along with car basics and expenses. We will be outside learning with the cars most days. Changing tires, brakes, lights, wipers, and more.

Art Medium

6th - 12th grade, Teacher: Amanda Hensley

We will do a new art medium each week.

Basic Line Dancing

6th - 12th grade, Teacher: Brittany Staehler

Basic clean line dancing.

Beginning ASL

3rd - 5th grade, Teacher: Glenda Houston

Beginning American Sign Language: ABC's, animals, foods, and other early American sign.

Boomwhackers

3rd - 6th AND 7th - 12th grade, Teacher: Kristy Payne

**Must be able to keep the 3-6 beat and have a good attention span.

Use music tubes to follow along with Boomwhacker video instruction.

Botany for Beginners

2nd - 6th grade, Teacher: Ashley Thompson

We will learn about some of the important plants that God has given us and their benefits/dangers. We will focus on plants native to Tennessee.

Bracelet Making

4th - 12th grade, Teacher: Joanie Gilbert

Brain Aerobics

6th - 12th grade, Teacher: Joanie Gilbert

This class will use a variety of puzzles and games to help students engage their brains, and use reasoning skills to solve problems. Activities will include: magic squares, twisted words, rhyming, crosswords, sudoku, etc.

Chemistry Science Fair Prep

6th - 12th grade, Teacher: Sheri Smith

Homework required. This class is designated time at co-op to research, work, and complete a science fair project. Some of the experiments will be done as a whole class to help students get an idea of fun science fair projects. Parents not teaching another class will be encouraged to come work with their child once projects are decided.

Chess – Novice (Beginner)

K - 12th grade, Teacher: Alan Kantor

For those that are beginners or have never played before and have the desire to learn the royal game.

Chess – Intermediate

K - 12th grade, Teacher: Alan Kantor

To qualify for this class you need to have a good understanding of the game and be able to apply advanced tactics and strategies. You should also be familiar with common openings and endgames.

Coffee & Jesus

8th - 12th grade, Teacher: Jerri Tuttle

Bible study & morning meditation on the word.

Contemporary Art

5th - 12th grade, Teacher: Alyson Hale

Each week we will learn about a different contemporary artist (1970s – present) and complete a project based on their style.

Cooking Class (for returning students)

6th - 12th grade, Teacher: Victoria Green

Cooking class for returning (those who took this class in Spring 2024) students.

Creative Media Advertising

7th - 12th grade, Teacher: Kristy Payne

Students will learn how to brainstorm, create, and edit video advertisements.

Dance Fitness

3rd - 12th grade, Teacher: Joanie Gilbert

Where every class is a party! This fitness program will use elements of dance and aerobics to deliver a heart pumping workout! Kids will learn to move and listen to the rhythm of the music, exercise their bodies, and improve health. Kids should expect to dance 20-25 minutes and end with a 15-20 minute relaxing cool-down and stretch. Tennis shoes ARE required.

Diamond Painting

4th - 6th grade, Teacher: Ashley Norman

Diamond Painting is a fun craft utilizing hand-eye coordination. It is a mix between cross stitch and paint-by-numbers using small resin “diamond” to create an image. This semester we will be working together on 2 extra large canvases. Our goal is to complete them and enter them into the Cumberland County Fair. Students are also welcome to work on their own canvases as long as they have proper storage for diamonds.

Dodge Ball & Chat

7th - 12th grade, Teacher: John Kolenda

We will be throwing balls at each other in a series of different dodge ball games. You may also chat but will have balls thrown at you.

Elementary Anatomy

K - 5th grade, Teacher: Cheris Funkhouser

Learn how the human body works. Explore the muscular, skeletal, nervous, digestive, respiratory, and immune systems and how they work. **Please bring crayons and age appropriate scissors.

Elementary P.E.

K - 6th grade, Teacher: Alison Savard

Fun, physical games to get your kids moving!

Fiction Writing: Roundtable

8th - 12th grade, Teacher: Amber Pacana

HOMEWORK REQUIRED. We will be flexing both our writing and our critiquing muscles. Students will write from a prompt each week, finish the work at home, and bring it to class the following week to read and discuss aloud. We'll discuss what worked, what didn't, and what could be tweaked to improve.

Folktales

2nd - 5th grade, Teacher: Amber Pacana

Each week we will read a folktale in class and discuss and do a related craft.

Games and Getting to Know Each Other

3rd - 6th grade, Teacher: Amanda Parrant

We will place ice breaker games to help students to get to know one another better.

Hang Out & Craft

7th - 12th grade, Teacher: Carol Erickson/Amber Hall/Alyson Hale

Teens will spend time working together on projects for community needs / shoeboxes. They'll also enjoy some time for just hanging out with each other.

High School P.E.

6th - 12th grade, Teacher: Rebekah Yegenian

Wear appropriate shoes as associated with standard high school PE games.

History: Davy Crockett and Alvin York

6th - 12th grade, Teacher: Charissa Jacobson

Let's study a Tennessee legend, David Crockett.. He was a frontiersman and congressman, all with very little schooling. Sergeant Alvin York is another Tennessee hero who is remembered for his military accolades, but he wanted to be known & remembered for helping to improve education in TN, bringing in better roads, and being a helper.

How To Fill A Bucket

K - 3rd grade, Teacher: Michelle Schuler

Character counts!! In this class we will explore how random acts of kindness can “fill our buckets” and the buckets of others. We will read from the “how to fill a bucket” series, have a discussion and do crafts/activities.

I Love America!

K - 3rd grade, Teacher: Carrie Jamison

Recite the pledge & sing Star Spangled Banner each day, then learn about America from books and videos.

Liberty Kids

K - 5th grade, Teacher: Lauren Campbell

Liberty Kids TV Series

Math Puzzles & Games

K - 3rd grade, Teacher: Lena Jackson

We will work on logic puzzles, play games involving numbers and math applications.

Math Study Hall: Algebra I and II, & Geometry

6th - 12th grade, Teacher: Dulci Corvin

Students are encouraged to bring questions and concepts that they are having difficulty with.

Moms Class

Teacher: Dulci Corvin

A class for moms – a time for encouragement and to share ideas, specifically on homeschooling multiple levels without losing your mind.

Money Matters

3rd - 6th grade, Teacher: Carol Eubanks

Introducing money management. Teaching about making change, spending money wisely, and saving.

Morning Session – 4 & 5 year olds

- Letters & Sounds: Students will learn to recognize letter by the sound they make. They will also learn to write each letter in upper & lower case. A practice worksheet will be sent home each week to be returned for a reward!
- Learning Games: Students will play games to sharpen the skills needed for success in Kindergarten.
- Number Fun: Students will be learning to write & count to 100 through fun activities & creative movement. A practice worksheet will be sent home each week to be returned for a reward!

Nutrition & Food

6th - 12th grade, Teacher: Pam Lyndaker

This class will give students a better understanding in the role of nutrition in health and wellness. Students will be given the opportunity to have skills in preparing nourishing meals, evaluate and improve their day-to-day food choices.

Paper Bag Engineering

K - 5th grade, Teacher: Carol Eubanks

Students are given a paper bag of supplies to create the project of the day.

Personal Development

6th - 12th grade, Teacher: Emily Cook

Learn to make achievable goals. Practice mindfulness and good habits for emotional health.

Play Doh Creations

K - 3rd grade, Teacher: Amanda Hensley

Making Play Doh animals each week. Mixing and color play.

Rooted In Wonder

K - 3rd grade, Teacher: Emily Cook

Develop a love and understanding of God through learning about his creation in nature. Each class will begin with a 20 minute nature podcase while coloring.

SALSA Spanish 2

K - 3rd grade, Teacher: Rachel LeCureux/Ana Johnson

SALSA blends puppets, animation, live action, and music to create a unique experience for first time users of Spanish language and culture. This is a continuation of Salsa Spanish 1 from last semester, prior students are welcome.

Show & Tell

K - 3rd grade, Teacher: Michelle Schuler

Bring your favorite thing from home and tell us all about them!

Sibling/Buddy Art

K - 3rd and 4th - 12th together

An older student will pick a sibling (or adopt a sibling) and both kids will be enrolled into this art class to do art together.

Sing A Hymn

6th - 12th grade, Teacher: Charissa Jacobson

We will sing a hymn each week.

Snacking Around the World

K - 3rd grade, Teacher: Jessica Tanner

Kids will enjoy snacks related to a different country each week, while they have a worksheet and talk about the related country. For example: hummus and pita chips – discussing Egypt.

STEM Challenge

4th - 8th grade, Teacher: Alyson Hale

This semester we will do two 5-week challenges – space and the Stone Age.

Team Trivia

3rd - 6th grade, Teacher: Shannon Eaton

This class is packed with trivia! Each week we will test your knowledge of fun facts, history, and random trivia.

Themed Trivia

6th - 12th grade, Teacher: Brandie Hargis

Students will receive a theme or topic for the coming week. Students will be encouraged to learn as much as they can during the week. They will be divided into teams to participate in trivia games (study guides may or may not be given).

Water Color Christmas Cards

6th - 12th grade, Teacher: Lauren Campbell

Kids will paint a different Christmas card each class.

Wonders of Energy

3rd - 6th grade, Teacher: Sheri Smith

Interactive lessons exploring electricity, magnetism, heat, light, and sound.

World Geography

3rd to 6th grade, Teacher: Lena Jackson

We will learn about different countries and make a craft specific to that culture.
