

Washington State Dahlia Society

***Just a little reminder that this months meeting will be on
TUESDAY, FEBRUARY 24th at 7pm in our regular meeting room!***

At this month's meeting, Les is going to demonstrate how he takes cuttings! He will also be bringing some pot tubers for those members who have not had the experience of taking cuttings to get a "hands on experience" with this process! They get to take home their cuttings as well! THANKS LES!

He is also going to be asking the following::

1. How are your tubers doing in storage?
2. How many do you usually plant?
3. Are you planning on showing this year?

This years
"Flower of
the Year" is
Mak's Royal
Ruby! Be
sure you
have some
to enter at
the show!

*Our own Sandy Verrone

February 12th! We all
