Mount Snow, Vermont

32nd Annual

HAVURAT YISRAEL Ski Shabbaton

With Rabbi David Algaze

**Wednesday January 23rd
through
Sunday January 27th
2019**

The Gray Ghost Inn
Mount Snow

*In the beautiful mountains of
southern Vermont.*

32 is a Special Number!

32° is the blessed freezing point!

Anyone can go outside when it's 80° and thank G-d for a beautiful day, but those of us who've discovered the beauty and joy of Winter have the special privilege of being grateful when the temperature falls to 32° and below, snowflakes appear, and we begin to look forward to our annual celebration of Skiing & Shabbat together.

- * **Friends** — A truly unique community of about eighty people — a diverse group of singles, couples, teens and families that comes together once a year. All levels of Jewish observance welcome. Newcomers are instantly among friends.
- * **Skiing & More** — The high speed bubble chairlift speeds you to the Mt. Snow summit in 7 minutes, shielded from the wind. A complete array of attractions and activities is close by, including downhill and cross-country skiing, tubing, snowshoeing, ice skating, sledding, snowmobiling, hiking, sleigh rides, heated swimming.

- * **Comfortable Accommodations** — We have exclusive use of the Gray Ghost Inn, just minutes from the lifts, where we daven, learn Torah, play pool and ping pong in the game room, stay up too late talking by the fireplace, roll in the snow then warm up in the outdoor hot tub and more! The inn is ideal for families.
- * **Great Food** — Forget pots, pans, shopping and taking time out from skiing to prepare everything and instead get ready to enjoy catered meals including a great breakfast buffet, wraps for lunch, complete Shabbat meals, fresh pizza *and yes, ice cream!*
- * **Torah Throughout** — Three daily minyanim, shiurim with the Rabbi, and a Torah-filled atmosphere which reaches its peak on an amazing Shabbat filled with holiness and spirituality that skiers look forward to every year with inspiring singing, great food and lots of fun under the leadership of **Rabbi David Algaze**.

"I'm having the time of my life!"

—Gary
