For this year's get together, we are continuing our tradition of "**leading with the heart.**" What better way to ring in this holiday season than to spread goodwill to those in need? Together we can bring a little joy to vulnerable children in Butler County.

On any given day there are over 350 children in the foster care system. Teenagers, especially, always ask for gift cards on their wish list. But gift cards are always the hardest item for Butler County Family Services to find people to sponsor. So we need your help!

**Please join us this season in leading with the heart by considering sponsoring a gift card for a foster care child.** Simply bring one (or two, or three....) with you to the Christmas Party. No act of generosity is too small.
