

5K Run/Walk

McHenry County Human Race is a great family fun community event. This unique 5K walk/run allows participants to choose which organization will receive the proceeds of their race fee and any fundraising they choose to do. The race annually takes place at McHenry County College, 8900 US RT 14, Crystal Lake IL 60012, on the fourth Sunday in April at 8AM. This year's race is April 28, 2019.

In its first eight years, the Human Race supported over 70 local organizations serving McHenry County and raised over \$580,000! This event highlights and strengthens the missions of local nonprofit organizations

IYDT has partnered with this organization in hopes to raise money for an important part of our spring production, the Fly Rigging. Fly Rigging is a major part of our spring production, but is also very costly. We hope that you will join us by registering to be a Racer/Fundraiser by following the below link.

See you on the track.

From here you can set a personal goal for the fundraiser and create a link that people can donate on your behalf directly to IYDT. You can then share that link with potential donors. Here is an example of what the link should be. You can also upload a picture and a personal message that people will see on your personal page.

Create Your Custom Fundraiser URL
