Ground rules...

The seating is limited, know that you have to be present to purchase tickets.

There is to be no purchasing tickets for people that are not members. That is why people pay dues, to have the benefits.

We cannot hold tickets for people or sell them in multiple locations as we have one "roster" that must be turned in to the Warren and the tickets are sold sequentially.

Are you on 3rd or 4th shift and need tickets? Please get with us so we can work with a 1st or 2nd shift supervisor to get those tickets to you.

Please Note:

Seating is very limited due to showing the movie in the regular theater instead of IMAX. DO NOT WAIT to get tickets!
