

STATEMENT REGARDING THE CORONAVIRUS (COVID-19)

March 13, 2020

We at Port City Club are proud to be a part of the Lake Norman community and as many others are doing, we are doing our part to ensure the well-being of our community. The health and safety of our employees and customers is our number one priority as it relates to coronavirus (COVID-19) and our community. We are taking every precaution and putting preventative actions in place as recommended by the Centers for Disease Control (CDC), National Restaurant Association, federal, state, and local authorities.

We take great pride in the cleanliness of our restaurant and have high standards in place with regards to food safety, hygiene, cleaning, and sanitation. To this, we are adding additional cleaning and disinfecting procedures especially to high-touch and high-traffic areas. While we remain open, we encourage our customers to follow the CDC guidelines for hand washing and if you aren't feeling well, we ask that you please stay home so you don't put other customers or our staff at risk.

We have an exceptional staff here at Port City Club and we are committed to taking care of them as well. They are being provided with up-to-the-moment guidance and information so they can keep themselves and our customers healthy. Employees who don't feel well are being asked to stay home and when they are at work, to routinely wash their hands per the CDC and health department guidelines. We want to thank all our team members for their help in implementing these new procedures.

As of now, Port City Club remains open during our regular business hours. Like you, we are taking this public health concern seriously and will continue to monitor the situation and take guidance from the CDC, National Restaurant Association, federal, state, and local authorities. Our hope is we can remain open during what we know is a stressful time for many and are committed to maintaining a safe environment for you to gather with friends and family.

We will continue to provide further updates at www.portcityclub.com and on our social media channels.
