

Union Harvest Grange is hosting a seedling sale and swap on June 2nd from 10 am to 2 pm. The Grange is located at the intersection of Center Road and N. Ridge Rd.

Come swap your extra seedlings for a new variety or buy what you need but didn't have! All are welcome, no tables fees for sellers, but donations are always welcome.

During the seedling sale and swap, there will also be speakers upstairs giving short talks. Our speakers for the day are;

Peter Brady at 10 am on Fruit Trees
Terry Fischer at 11 am on Beekeeping
Arlene Hadley at 12:30 pm on Healing Salves
G.W. Martin at 1:30 pm on The Tick Crisis

There will be lunch available for those who want chili, cornbread, a drink and a dessert. Cost is \$4.00 a bowl.

Union harvest Grange is currently working towards re-glazing all of its historic windows. All money is made at this event will go to that endeavor. Come and have a great time!"
