

# Newmarket EATS

## *Donation Request*

**Newmarket Community Education Partnership (NCEP)** has a long history of supporting the social, recreational and educational experiences of children and youth in the town of Newmarket. Since its inception in 2004, NCEP has raised and granted over \$100,000 to benefit the town. NCEP is composed entirely of volunteers who have worked tirelessly to secure funding for a wide variety of programs for Newmarket schools, the recreation department, library and other community organizations. Programs and items funded include camp scholarships, technology and other classroom equipment, field trips, speaker programs, and special education materials, among many others. Please visit our website to learn more about us: [www.ncepconnects.org](http://www.ncepconnects.org).

NCEP's major fundraiser is **Newmarket EATS**, a unique celebration of local restaurants and businesses. We are happy to announce that the **Newmarket Business Association** is co-sponsoring the event with NCEP for the first time this year. Set for **Sunday, November 10 from 6:30 – 8:30 p.m.** at the historic **Millspace** downtown, attendees can expect food tastings, entertainment, silent auction, raffle and a cash bar.

We are currently seeking items that we can use **for the silent auction and raffle during the event**. Items could be gift cards to your establishment or for your services, or tangible items that we can display at the event. Donations of all sizes and types will be greatly appreciated!

With your donation, your company/organization will be highlighted in promotional materials prior to the EATS event, as well as at the event. ***May we count on your support for EATS?***

***Please contact us!*** We're happy to answer any questions you may have, and we can coordinate picking up your generous gift certificate(s) or item(s).
