

About Circle K-D

Our organization is a club with an equine focus. We enjoy equine activities such as trail riding and horse shows in a family-oriented atmosphere with friendly competition.

Our club began in 1943 with an arena in downtown Sycamore, IL. Since the 1970s, the club has had an arena and building located on Moose Range Road between Sycamore and Genoa.

Club Purpose: For the benefit of recreation and sportsmanship in training and riding horses.

We are a non-profit organization raising funds solely through membership fees, fund-raising activities and sponsorship drives.

Our organization has approximately 80 membership families who reside in Northern Illinois towns from Rochelle to Geneva and Rockford to Sandwich. Guests and participants in our events travel here from all over the Midwest.
