Dear Reader,

Little Village is so excited for summer! As we finished off the school year with our graduation ceremony, the center has changed a few things for the summer months. Our preschool classrooms have combined with Mrs. Davis as Ms. June has moved to the summer camp program for the next few months. We have also said goodbye to a few of our college student staff as they went home for the summer or graduated. JoLyn Grover, who has been with Little Village since the very beginning, graduated from Hiram College and moved to Columbus to pursue a job there. Jessica Bessner, another long time teacher, also graduated and is currently traveling in Japan. CJ Dyer is also leaving as his Xplor program is coming to a close. We wish all of these wonderful teachers the best of luck! We welcome Ken back to Little Village and next month La'resha Hunter will also return to teach here at Little Village.

Water Wednesdays are back! Every Wednesday please bring your child's bathing suit and a towel as we will be playing in sprinklers and water tables! This is weather permitting. We will send home an informational letter on water days soon! Any questions, please ask Tina or Ellen.

Sincerely,

Little Village ELC

**This Month:**

**Letters: Review!**

**Shape: Octagon**

**Numbers: 19, 20**

**Color: Black**

**Toddler Times:** The toddlers are learning about ants and animal sounds. We are also very excited for water days!

**School Age Dayz:** Our summer camp is just getting started! We're looking forward to swim days, library and picnic days, and movie days!

**Preschool:** We are reviewing our ABC's and looking forward to water days this summer!

**Last Month We:** Little Village was busy as we prepared for our spring program and graduation ceremony! We also had a field day outside with games and popsicles. Our preschool classroom helped pull weeds in our flower beds outside and learned about planting flowers and vegetables!
