Rainbow Kids is a program designed for students ages 7 to 16 with developmental and or physical disabilities. The class will focus on a range of movements in ballet and jazz styles of dance, with an additional focus on social skills and mindfulness. This class is offering a special “pay as you go” option, with a price of \$15 per class, or 2 monthly payments of \$55 can be made as well to reserve your spot. Our vision is for every child to have A CHANCE TO DANCE! The class may be split into two sessions based on age if interest is high to keep class size to a maximum of ten. The class is taught by a highly-trained dance teacher/school psychologist along with the help of a teacher assistant. Parents are invited to watch and/or participate in class or wait in the lobby.

SLEEPING BEAUTY

Calling ALL PRINCESSES! Come join us for a magical ballet class with a special performance at the end of summer. No auditions required! All dancers that participate in this special Sleeping Beauty class will be taught a dance and loaned a costume to wear in the South Tulsa Children’s Ballet Production of Sleeping Beauty. This class will allow Dance Dynamics students to skip the auditions and attend weekly rehearsals at our studio. Our dancers will then perform as a group in the production. Additional costume fittings and rehearsals close to the show may be required.

Cost is \$100 for the Summer, or 2 payments of \$55 due at enrollment and July 15th.
