Donate Now!

Arizona tax law (ARS 43-1089.01) allows taxpayers a tax credit of \$200.00 for single or \$400.00 for married filing jointly if they contribute to a fee-based extracurricular activity in a public school. Extracurricular activities supplement the educational program of school. They are offered before, during and after school. Our school's extracurricular activities include:

8 th grade graduation trip	Boys/Girls Basketball	Football
Volleyball	Softball	Baseball
After school programs	School Field Trips	Art Club

Donating is easy. Choose your favorite activity or leave the line blank and let the school decide how to put the money to best use. You may designate more than one activity to contribute to. Complete the form and write a check for any amount up to \$400.00 before the end of the year. The school will send you a receipt for your records. Contact the school for further information.
