## **Scheduling**

### **Scheduling and booking appointments**

Advance booking is strongly encouraged so that we can accommodate all of your appointments and meet your desired scheduling. We understand that changes to your schedule are a part of the planning process and we will make every effort to accommodate these changes, subject to appointment availability.

### **Cancellation Policy**

Any changes or cancellations must be made no later than 48 hours in advance. Any cancellations on the service date will result in a full charge for the appointment. Appointment services and times cannot be changed on the day of the scheduled appointments. Doing so will result in the loss of the appointment and a full charge for the service scheduled. It is important that all appointment services and times be closely adhered to, as originally scheduled, so that we may provide the optimal service that you deserve on your special day!

### **Styling and Make-up**

Bridal hair services incorporate an initial consultation to discuss all matters concerning the big day and completion of a style. We do require this trial run, as it ensures perfection and timing to make sure you arrive on time for your wedding.

Our professional make-up artists use techniques designed to bring out beauty with flawless, natural looking make-up. On your day, do not underestimate everyone's needs to have professional looking hair and make-up to help ease timing, frustration and create perfection in front of your guests and the camera. Make-up consultation not required but is recommended.

### **Pricing and Tipping**

All pricing is determined by the experience of your professional. Prices may change without notice due our employees education and gained experience. We believe that tipping should be left to the discretion of our guests. Therefore, gratuities are not included in any service, gift card or spa package. Our service providers greatly appreciate you thanking them for the service they provided.
