## What's Coming Up?

- ◆ Fall Festival : Oct. 5th
- ◆ Winter event : TBA

## Squealin' Wheels

On September 28th, 2019 many participants gathered to ride their motorcycles to benefit Special Needs Camp of KY Inc. Fun was had by all who attended! We would like to thank Fire and Iron M.C. Station 58 for hosting this event and for being so generous in their efforts to support us!

## Cackles Corner

## Cruisin' for a Cause

The Fire & Iron MC Station 58 held in the heart of Owingsville, KY was a huge success on September 28th. A large crowd came out to support our cause, while enjoying the wonderful food available, and listening to music! We met so many people at this event who were genuinely interested in helping us to be successful. We would like to thank Fire and Iron for their generous donation to ensure that the SNCKI 2019-2020 season is the best yet!

## Social Media on Fire

Every Thursday, SNCKI posts a throw back photo from previous years, to remember how far we've come and for the celebration of 30 years! This is also the day that we have

## Lexington Legends

On July 28th, 2019 a group of families and friends that are a part of our SNCKI organization attended a Lexington Legends Baseball Game. Our organization was recognized for our attendance and were able to cheer the Legends on to an overall victory! After the game concluded, a firework show lit up Lexington's sky as those who attended admired the beauty. Many pictures were taken and memories to last a lifetime were made! We hope to continue this fun activity with an even large group Summer 2020!

## Fall Event

This year, we have decided to enjoy watching a movie as a group and participate in fall related crafts. On October 5th, 2019 we will be meeting at the Emanuel Center at 6pm for a spooky night full of various activities. We are excited to catch up with our friends during Halloween Town the movie while eating delicious pizza prepared by our wonderful friends at the Frosty Freeze.
