Our new gate is installed and operating awesomely! In the month of November, we are switching over to a biometric entry system. We are requesting Parents and those authorized to pick up your child come to the office and register their Fingerprint at the earliest convenience; gate codes will disabled Monday, Dec. 1.

Please Note: Our biometric system only stores data of the image of your fingerprint and your name.

**If Parents need any information, have questions or just want to chat, please feel free to swing by the office ANYTIME; We have an open door policy at all times !**
