

Hello fellow members of the El Dorado Rod and Gun Club!

The Officers and Board of Directors of the El Dorado Rod and Gun Club want to wish all of you a Very Merry Christmas and a Happy New Year!

It has been quite some time that we have had a newsletter or any type of correspondence with our members, and we have had many changes within the past 6 months. I am excited to announce that our new and improved website will soon be up and running. If you had not noticed our website has been stalemated since June 2015, the only function of the website is that we have kept the calendar current, so you could still see what the club facilities had to offer and when. ***Look for our new website to be up on December 14, 2015.***

FIRST OF ALL...

Due to the unexpected need to transition the Club website to a new hosting platform, the Board was unable to provide the prescribed timely notice to the membership for the call for nominations and election meeting which typically occurs at the December annual meeting.

The Board is committed to ensuring the greatest benefit to the membership for full awareness and participation in the nomination and election process for the Board. Therefore, on December 5, 2015, the Board of Directors voted to postpone the Club's annual election to March 14, 2016 to provide the proper notification to the membership, per Bylaws Article XI, Elections.

This communiqué serves as the 90 day notice to the membership of the scheduled annual election meeting and a first call for nominations. Nominations will be accepted at our regular meetings on January 11, February 8, and March 14, 2016. The current officers and directors of the Board have agreed to extend their terms until the results of the upcoming election on March 14, 2016 are announced.

The Board also encourages members to join us at our next regularly scheduled general meeting to hear what other business the Board is addressing on behalf of the membership.

Our General meetings are held the 2nd Monday of each month at Denny's Restaurant, 99 Fair Lane, Placerville, California. Meeting time is 5 p.m., but usually begins around 5:45 pm – 6:00 pm, as our meeting is also a time to have dinner and social time before start of meeting.
