**MO-KAN CHAPTER**

*Amazing things can be learned and shared in our virtual world!*

Bring in the new year with the Mo-Kan Chapter of the American Business Women's Association with a virtual event to educate ourselves and others with a program by co-founder and CEO of Aureus (<https://www.aureusimpact.org/>), an organization to help overcome domestic abuse.

Learning goals for the presentation:

- Why we founded Aureus and a brief history of the organization
- Understanding that DV is more than physical violence
- How we plan to give people the tools to build non-abusive relationships

Tracey Passantino is an entrepreneur and lifelong learner who is happiest when she is working on a project where she can use her big picture thinking skills to put the pieces of a puzzle together. She founded a marketing firm in 2003 and has worked in sales and marketing since 1994.
